## Top Annual Exports in 2023 Through Ports in the Path of Hurricane Debby

M = millions

<sup>1</sup> The bar scale indicates the percentage of American export products that leave through the following ports: Tampa, FL, St. Petersburg, FL; Port Manatee, FL; Fernandina Beach, FL; Jacksonville, FL; Brunswick, GA; Savannah, GA; Charleston, SC; and Georgetown, SC. Note: The two-digit Harmonized System (HS) has categories with more than 2 billion dollars of annual export value. More information can be found at <www.census.gov/supplychain>.
