

National Association of Latino Elected and Appointed Officials (NALEO) Reception (California)

Director's Remarks as Prepared for Delivery

October 17, 2022

- Good afternoon. It's a pleasure to be here with you all today.
- Arturo has been a longtime partner to the Census Bureau, including through our National Advisory Committee, and he's worked with us on four censuses now. His expertise and knowledge have provided critical insights to the Latino community and helped shaped plans for measuring people, places, and the economy. During 2020, the NALEO Educational Fund and its partner organizations were so important in helping us to mobilize Latinos and promoting a full and accurate count.
- We so appreciate their outreach and help. We look forward to working with Arturo on a fifth census in 2030. Thank you.
