# OVERVIEW: Income, Poverty and Health Insurance

---

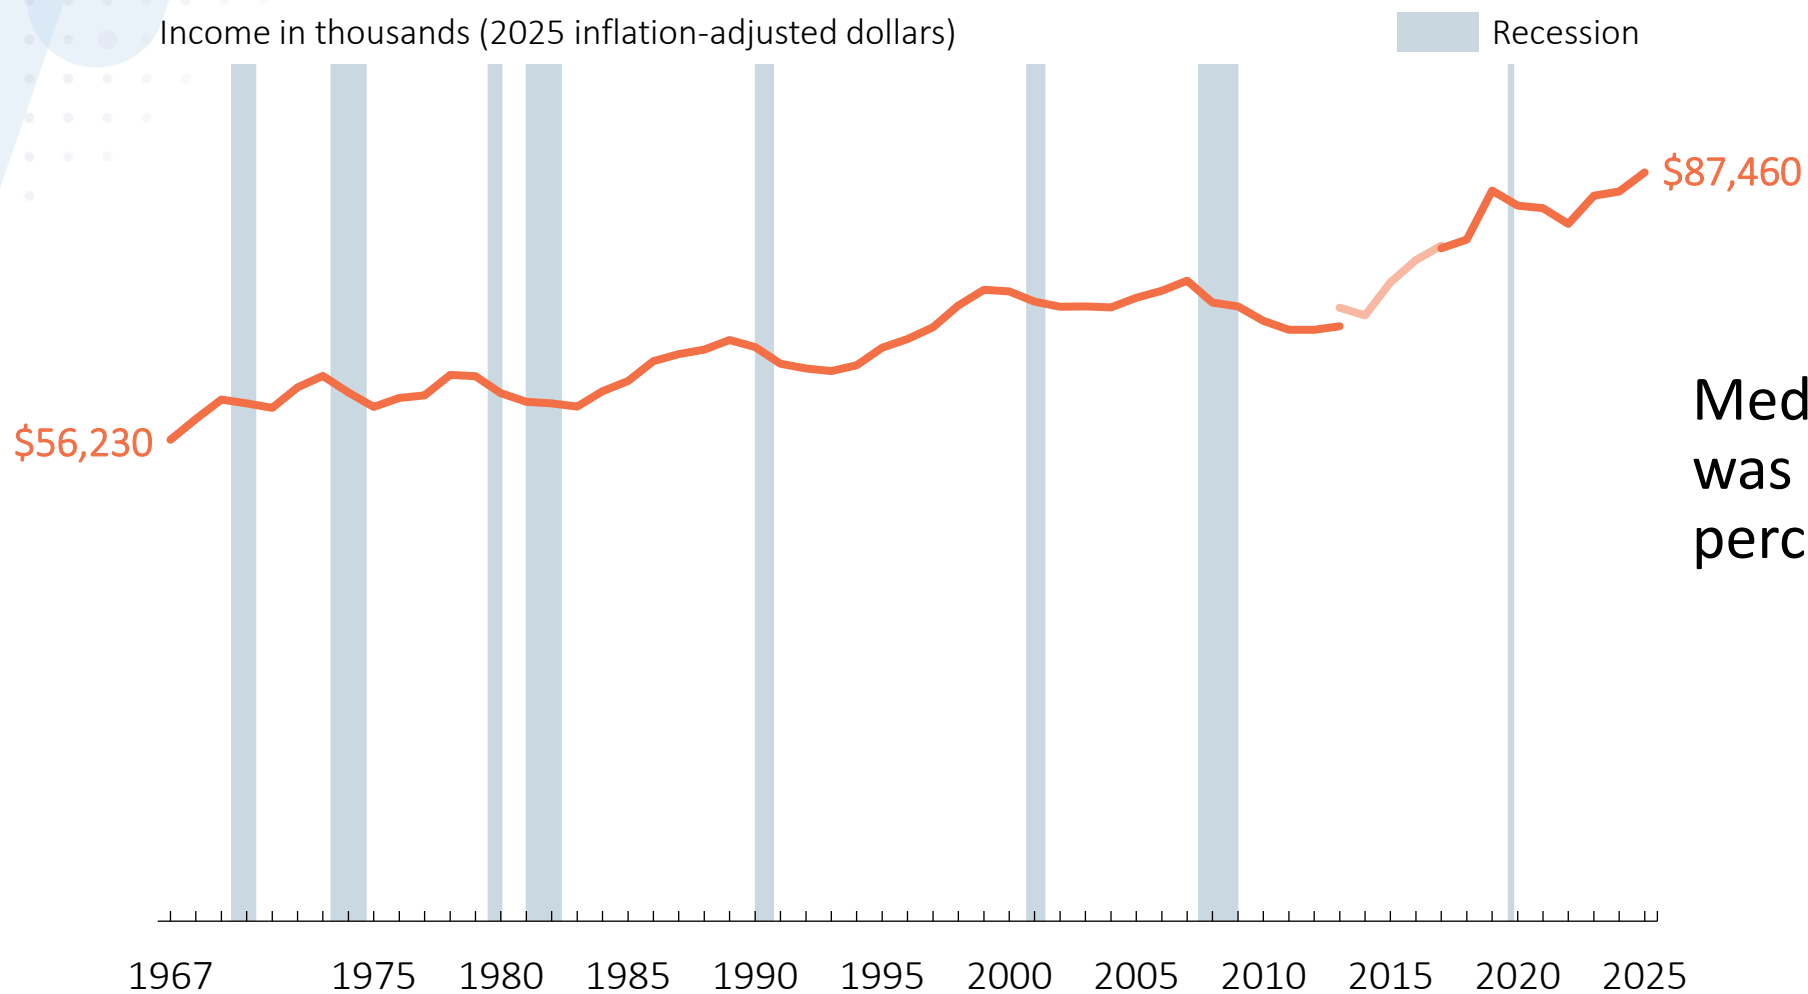

LIANA FOX

Assistant Division Chief,  
Economic Characteristics  
Social, Economic and Housing Statistics Division

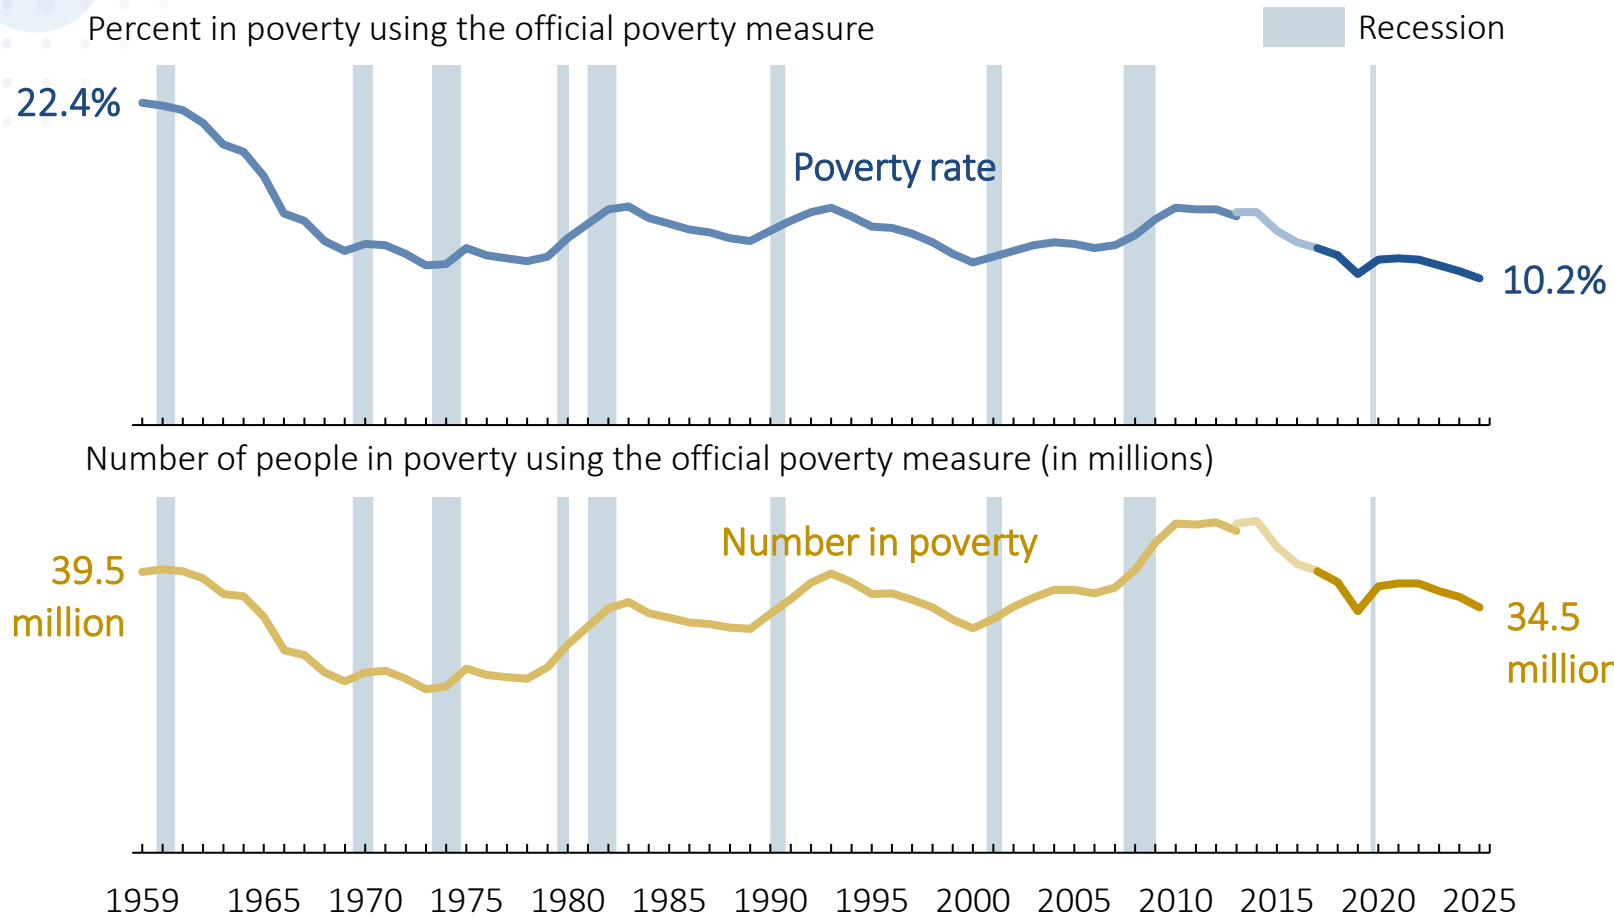

Data are based on the Current Population Survey Annual Social and Economic Supplement (CPS ASEC) from February, March, and April 2026.

# Real Median Household Income: 1967 to 2025

Median household income was \$87,460 in 2025, a 2.6 percent increase from 2024.

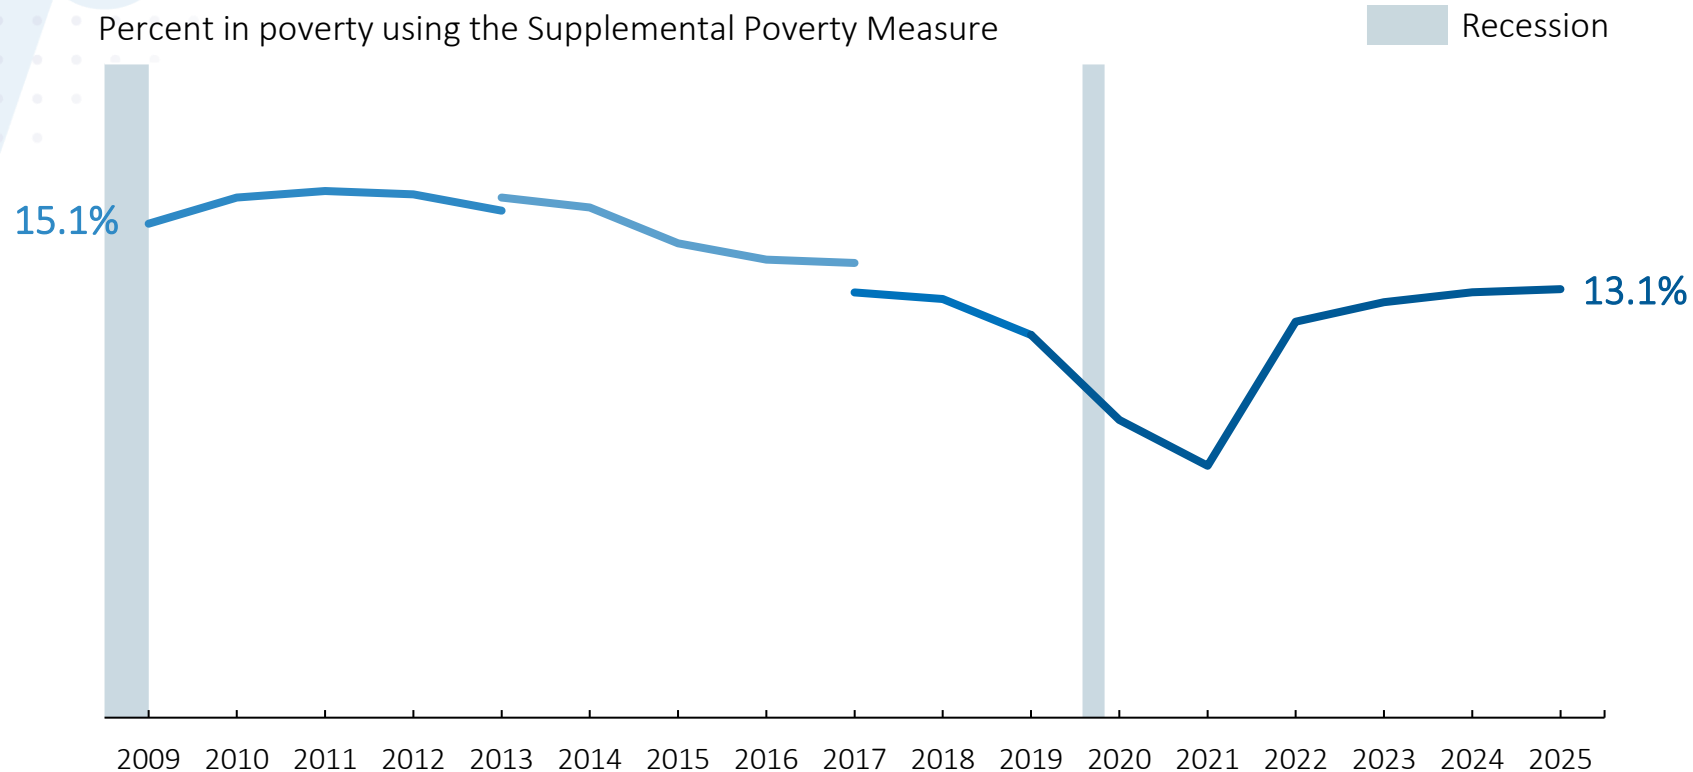

# Poverty Rate and Number of People in Poverty: 1959 to 2025

The official poverty rate fell 0.5 percentage points to 10.2 percent in 2025.

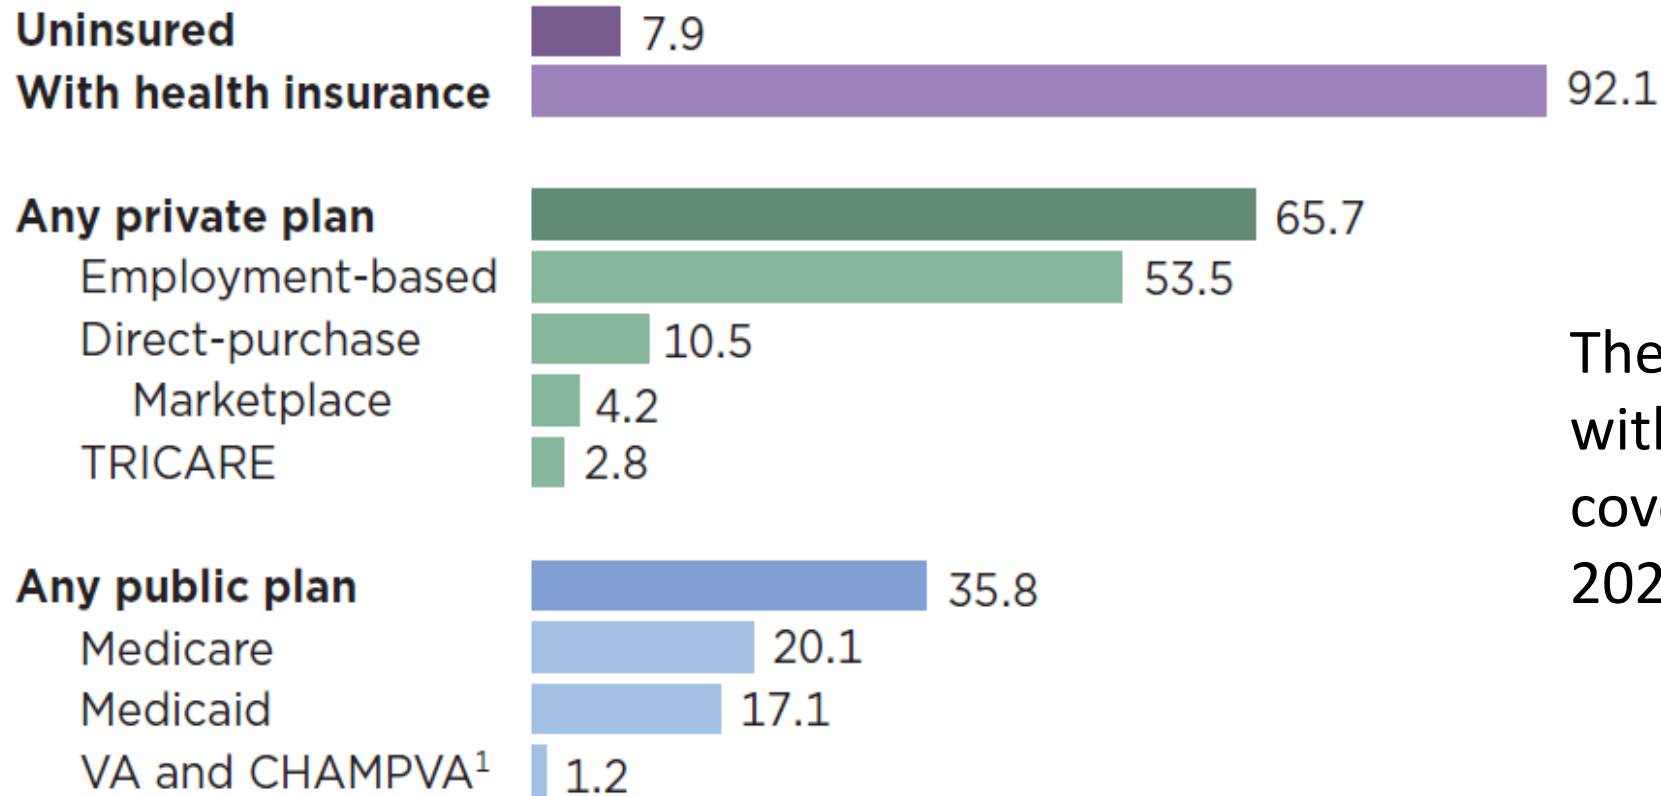

There were 34.5 million people in poverty.

# SPM Rate: 2009 to 2025

The Supplemental Poverty Measure (SPM) rate in 2025 was 13.1 percent, not statistically different from 2024.

# Health Insurance Coverage in 2025

The percentage of people with health insurance coverage for some or all of 2025 was 92.1 percent.

# INCOME ESTIMATES

---

MIKE KING  
Branch Chief  
Income Statistics Branch  
Social, Economic and Housing Statistics Division

# What is Money Income?

## INCLUDES:

- Wages and earnings
- Social Security
- Unemployment
- Retirement
- Interest and dividends
- Public assistance

## DOES NOT INCLUDE:

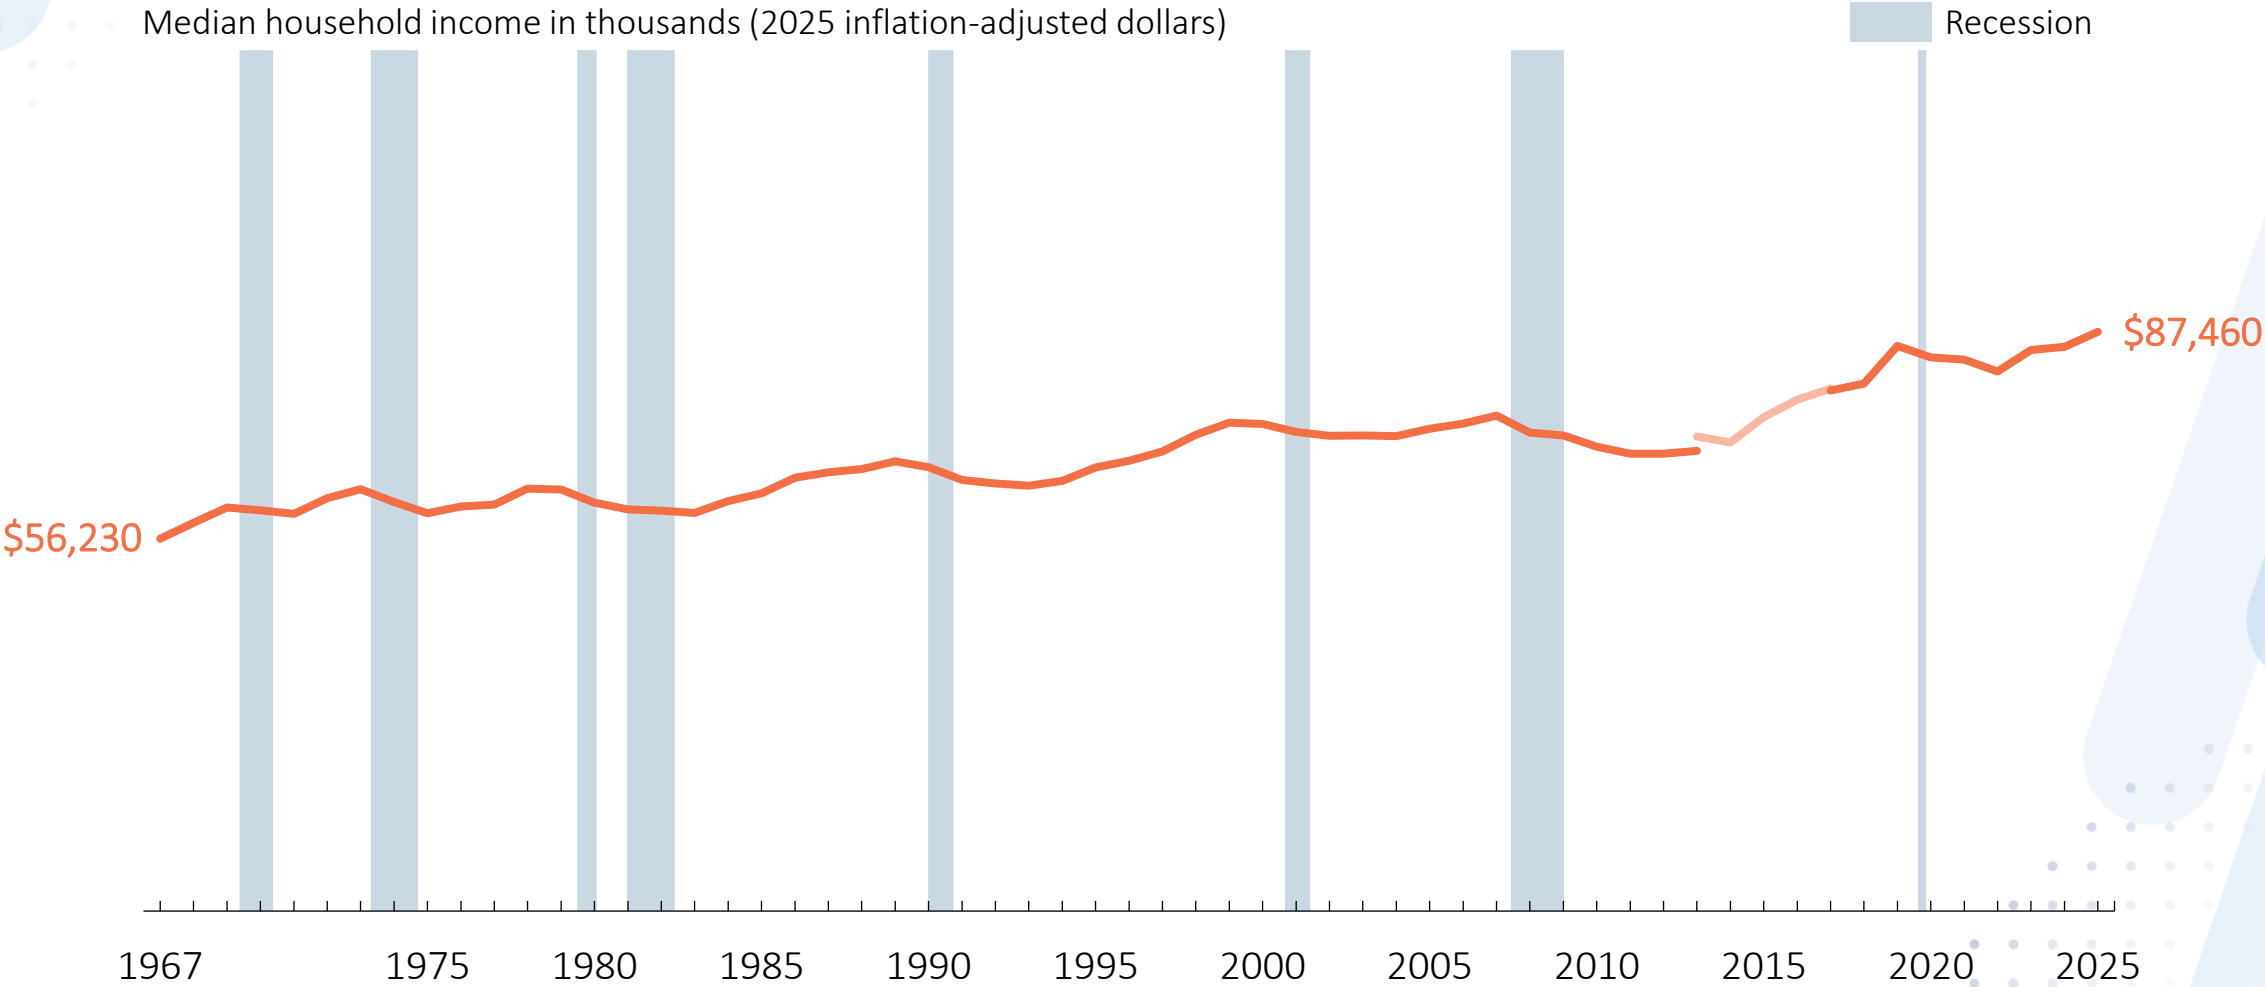

- Taxes paid
- Tax credits
- Noncash assistance (SNAP, Medicaid, etc.)

# 2025 Highlights

- Median household income increased 2.6 percent.
- Household income at the 90th percentile increased 1.7 percent. It did not change significantly at the 10th percentile.
- Among full-time, year-round workers, median earnings increased 3.2 percent for women but did not change significantly for men.
- The female-to-male earnings ratio increased from 80.6 to 83.9 percent.

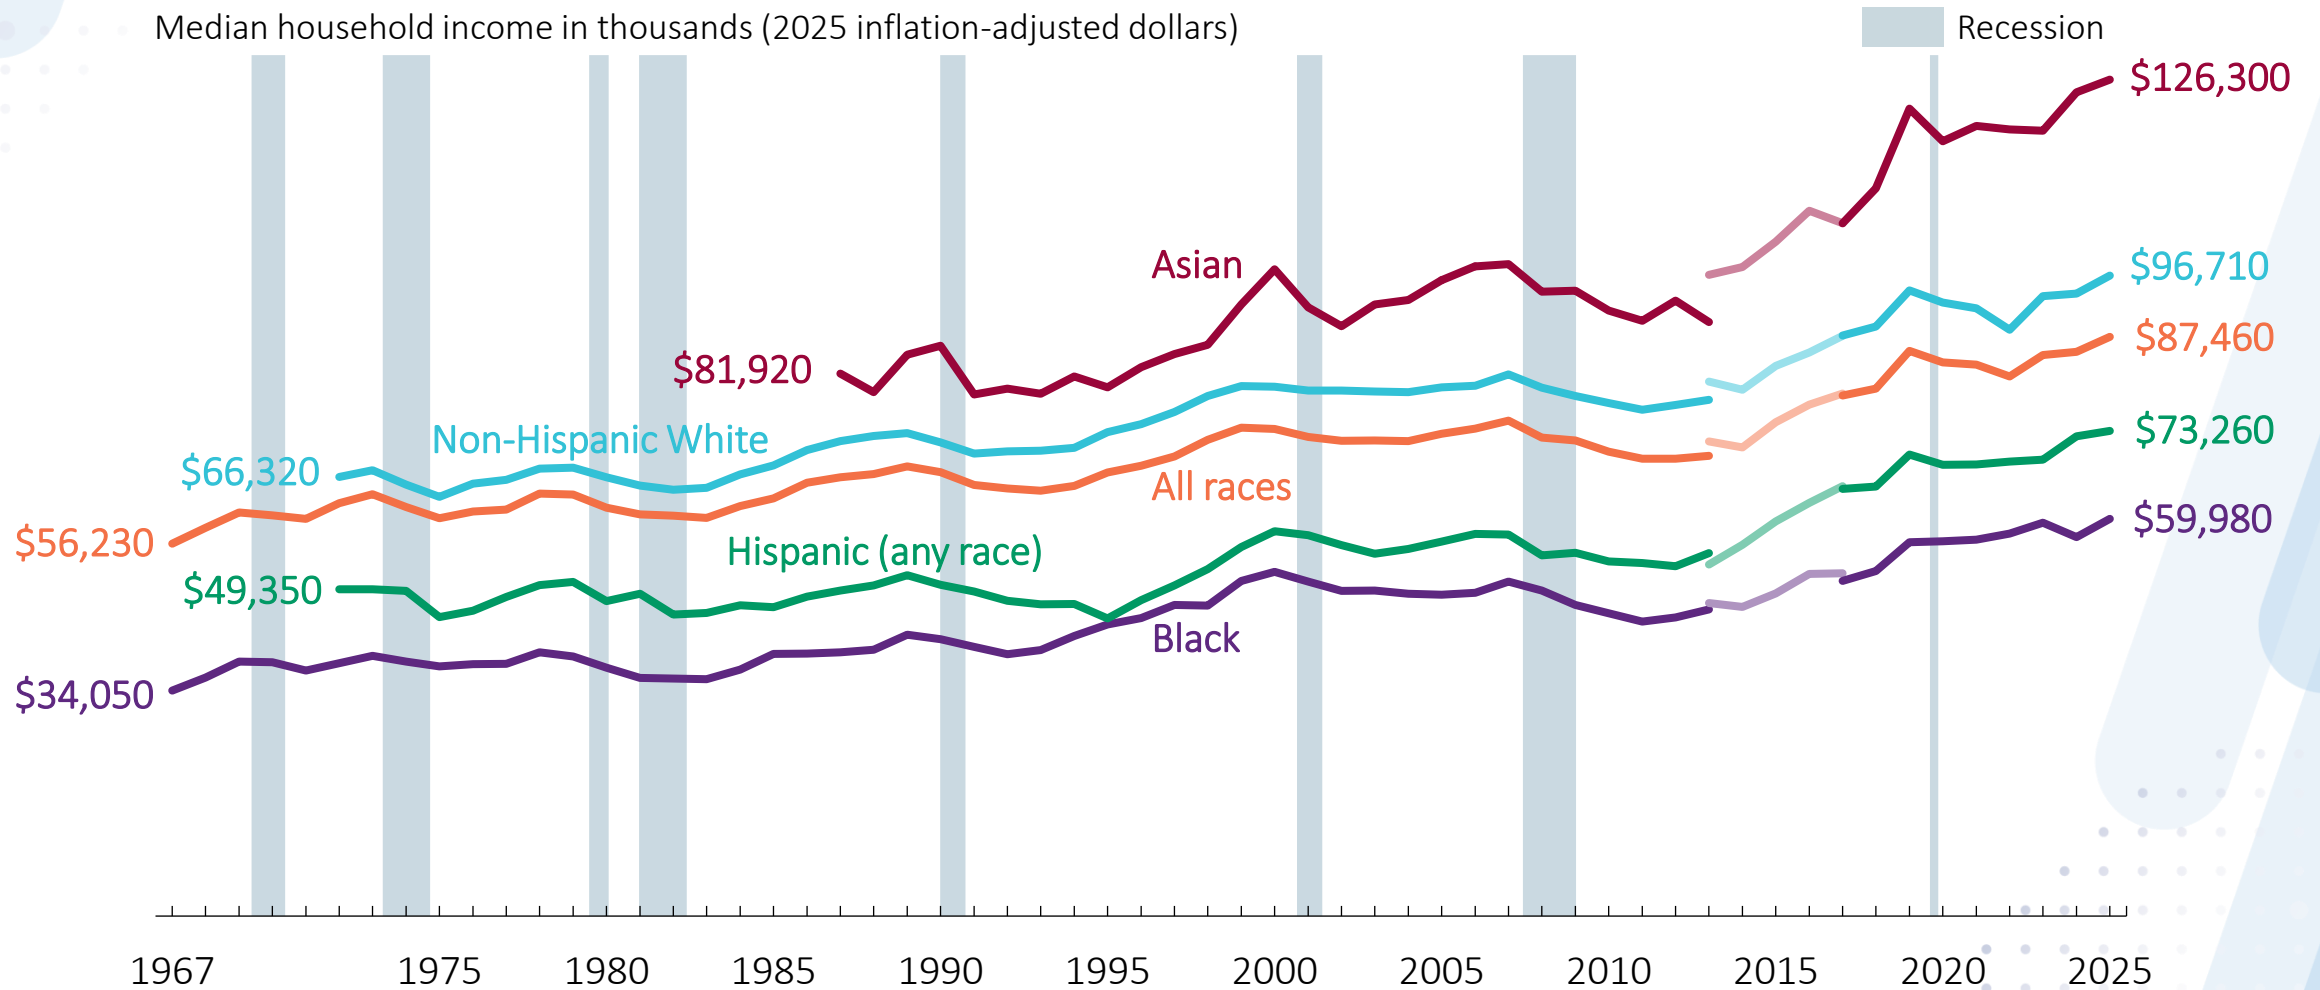

# Median Household Income Increased in 2025

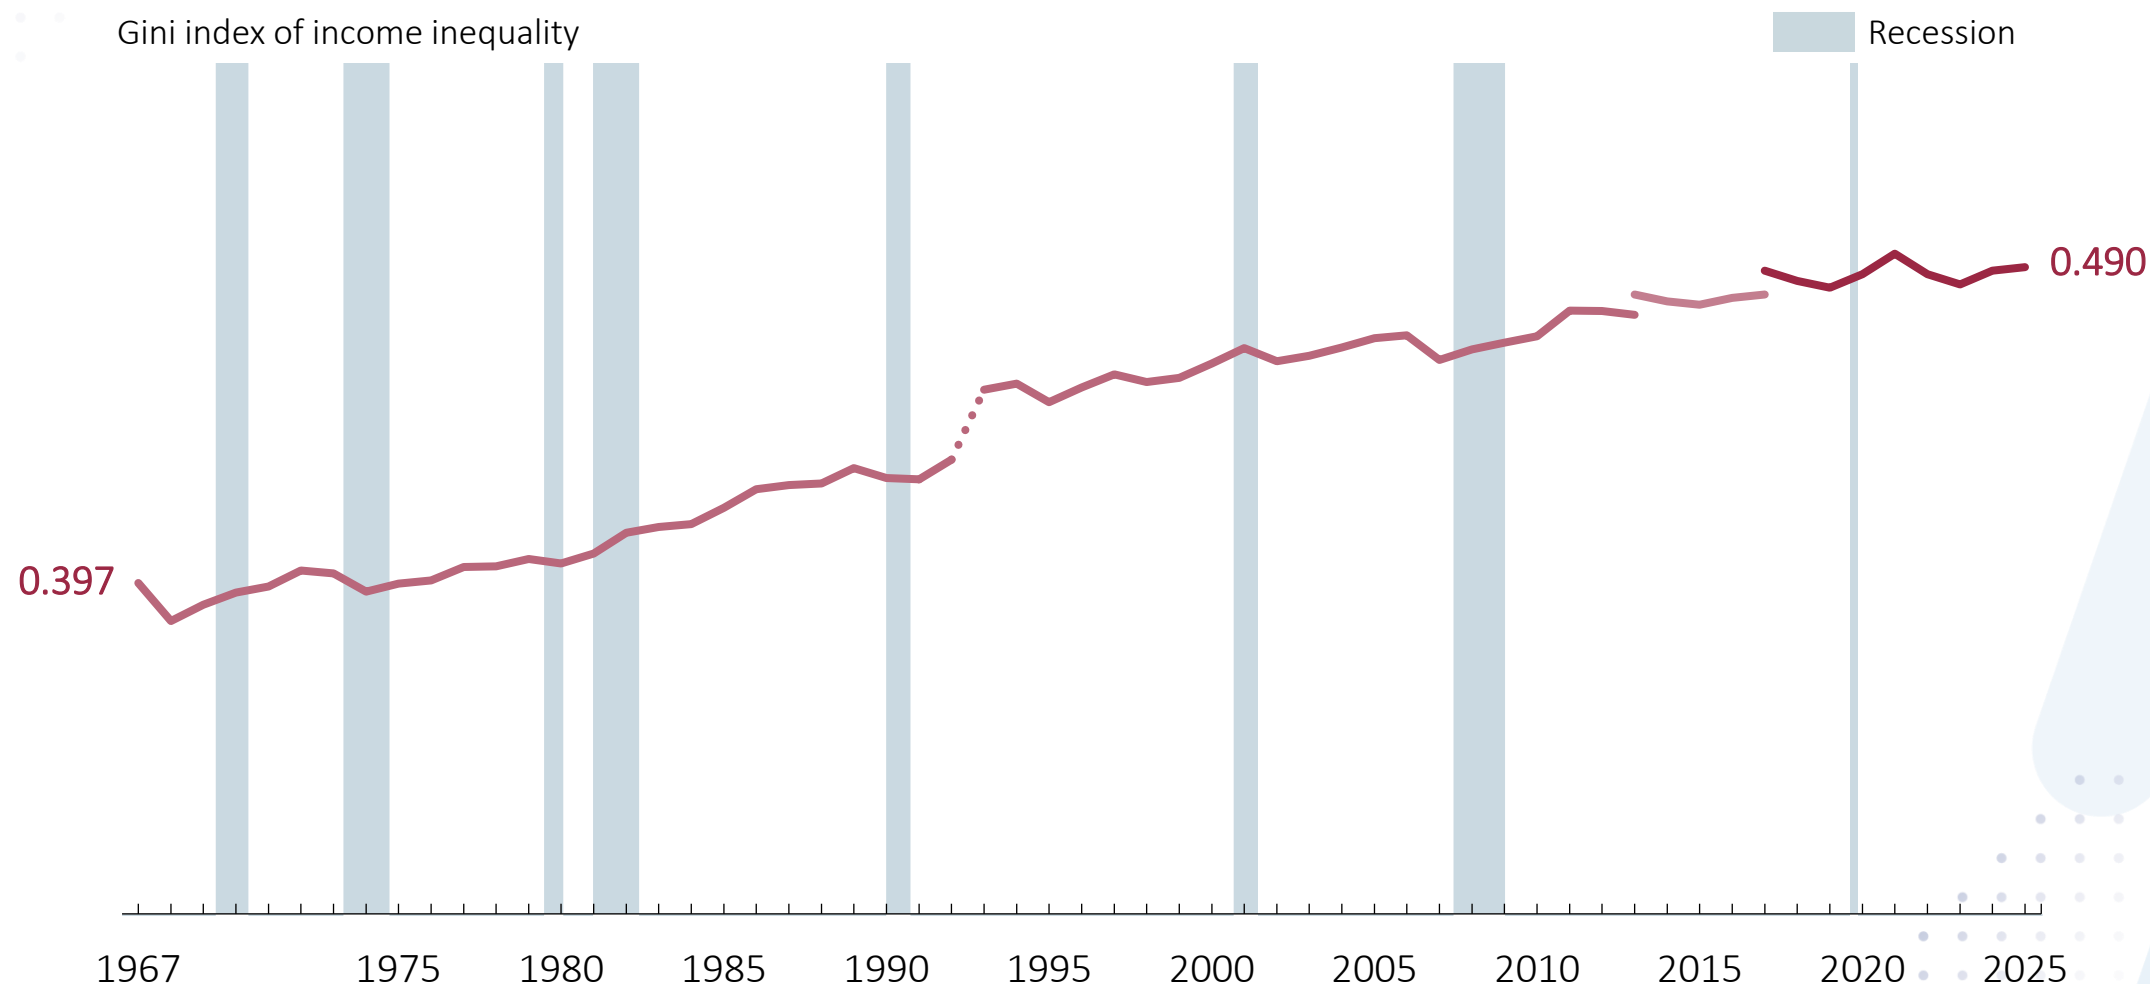

Note: Households as of March of the following year. Refer to Table 2 for historical footnotes. Income rounded to four significant digits.  
Source: U.S. Census Bureau, Current Population Survey, 1968 to 2026 Annual Social and Economic Supplements (CPS ASEC), Table 2.

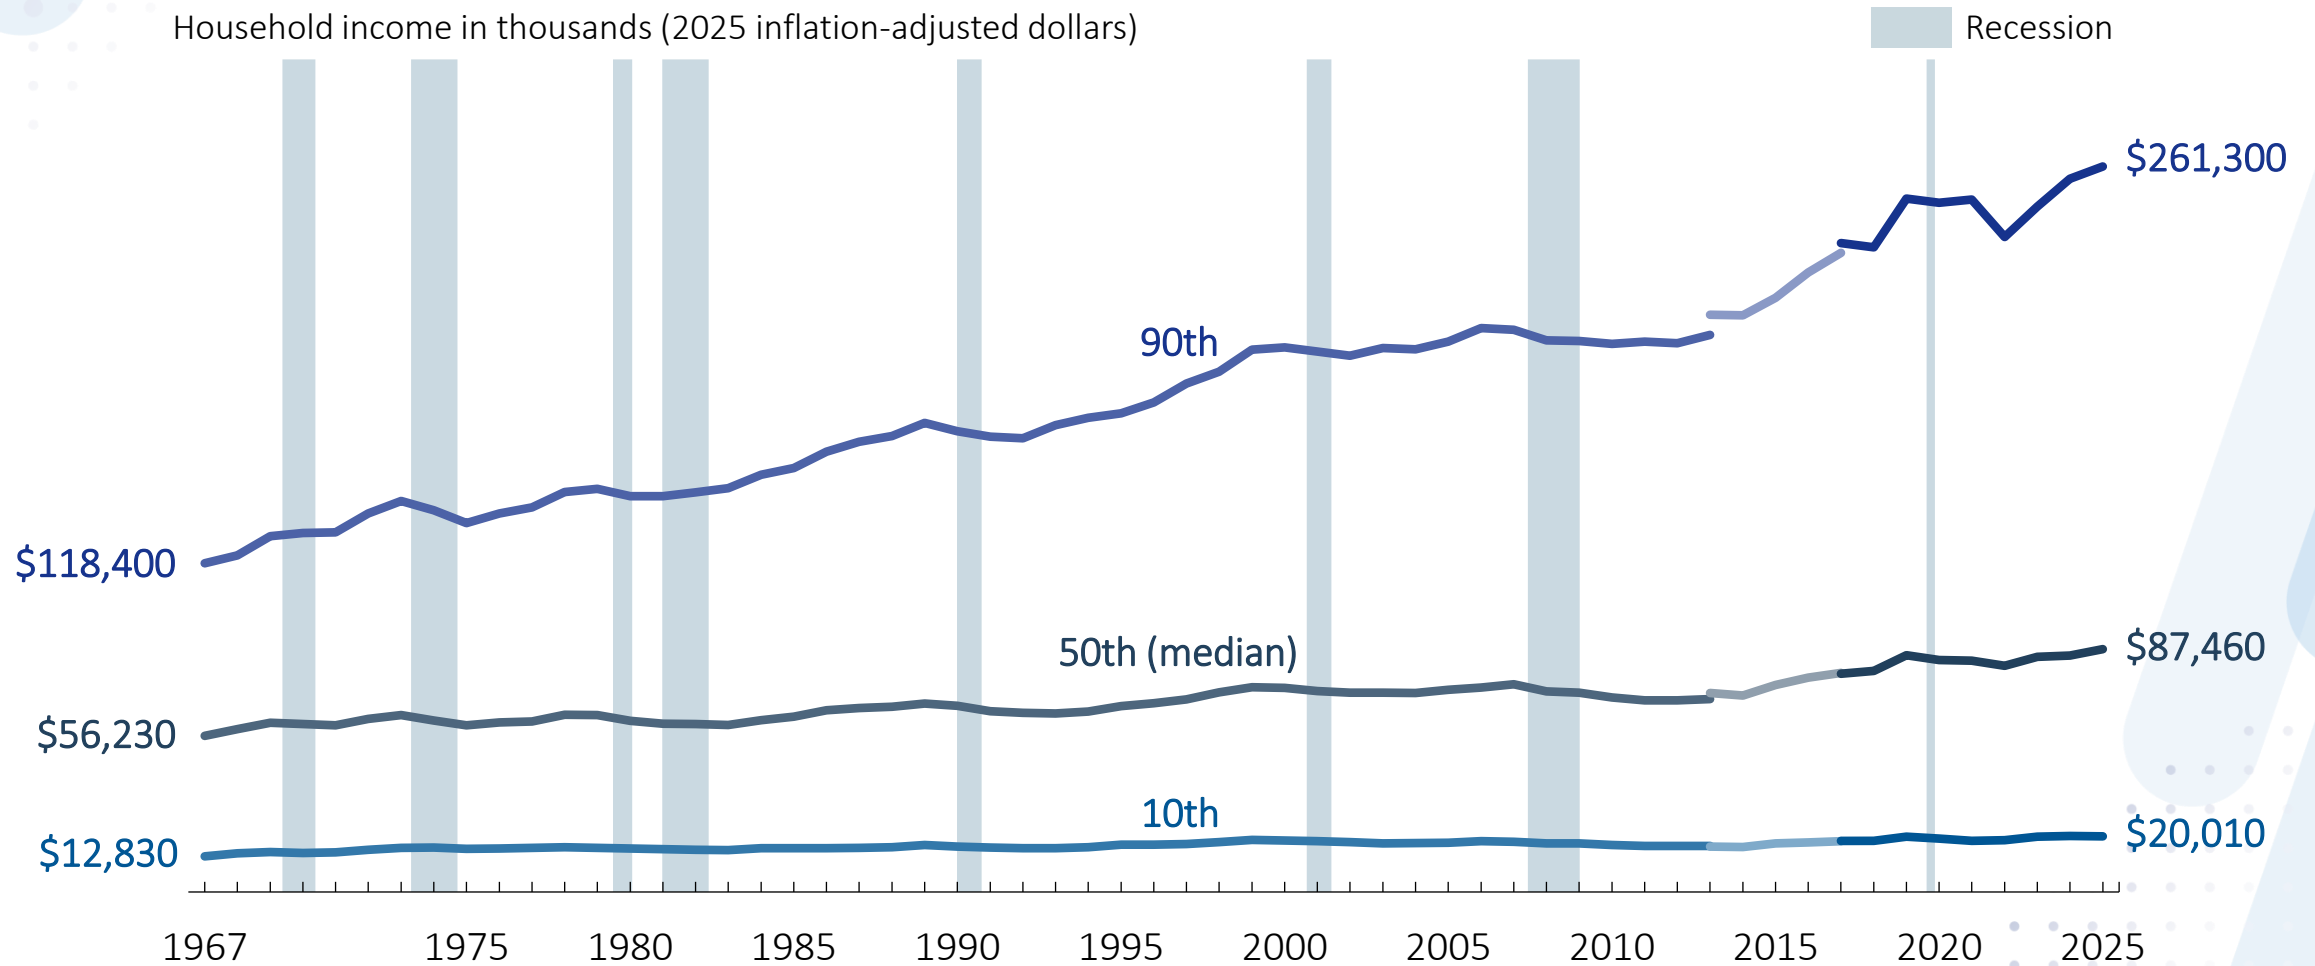

# Income in 2025 Varied by Race and Hispanic Origin

# Inequality as Measured by the Gini Index Was Statistically Stable From 2024 to 2025

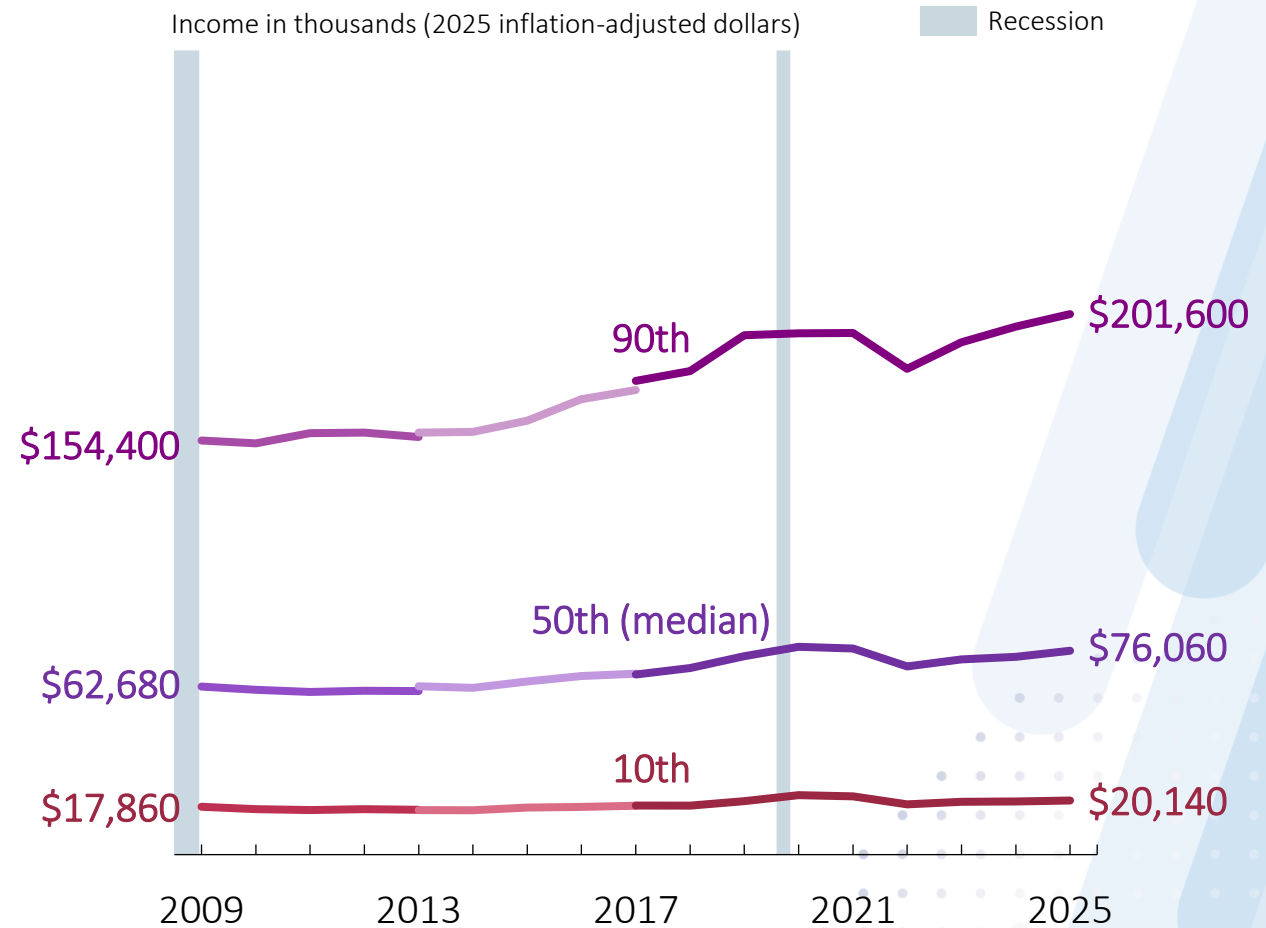

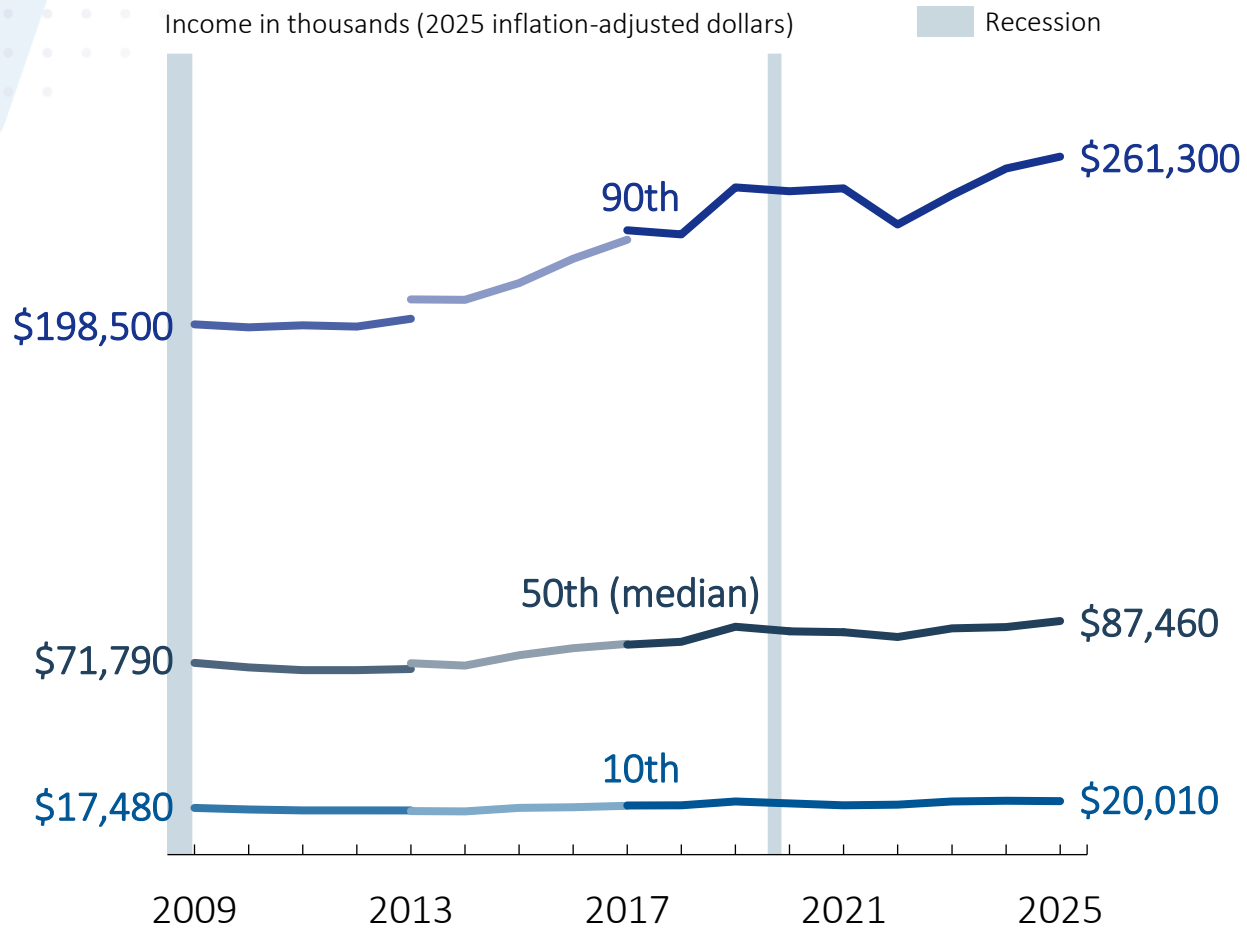

# Household Income Increased Last Year at the Top of the Income Distribution

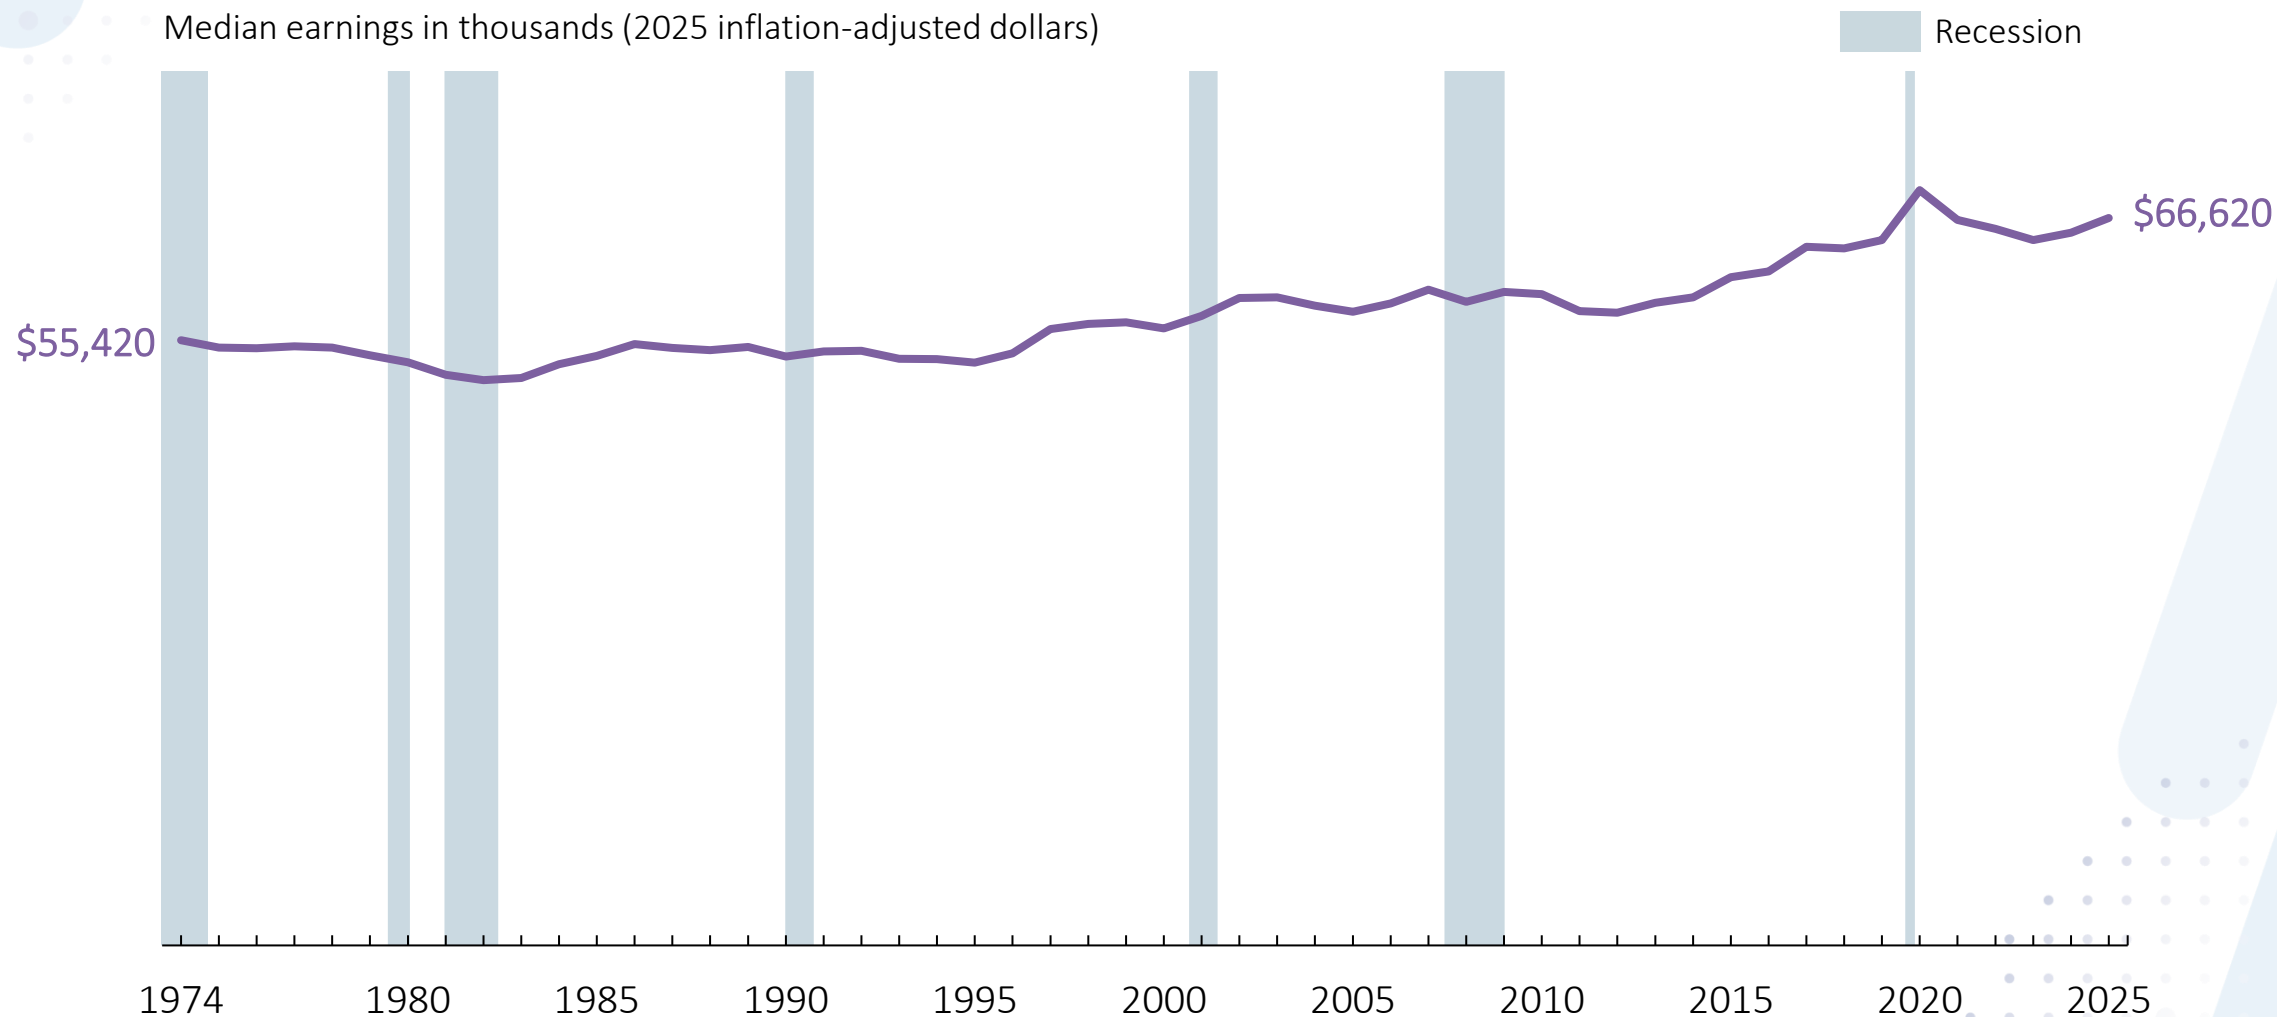

# Post-tax Income Also Increased at the Median and Top of the Income Distribution from 2024 to 2025

## Pretax Money Income

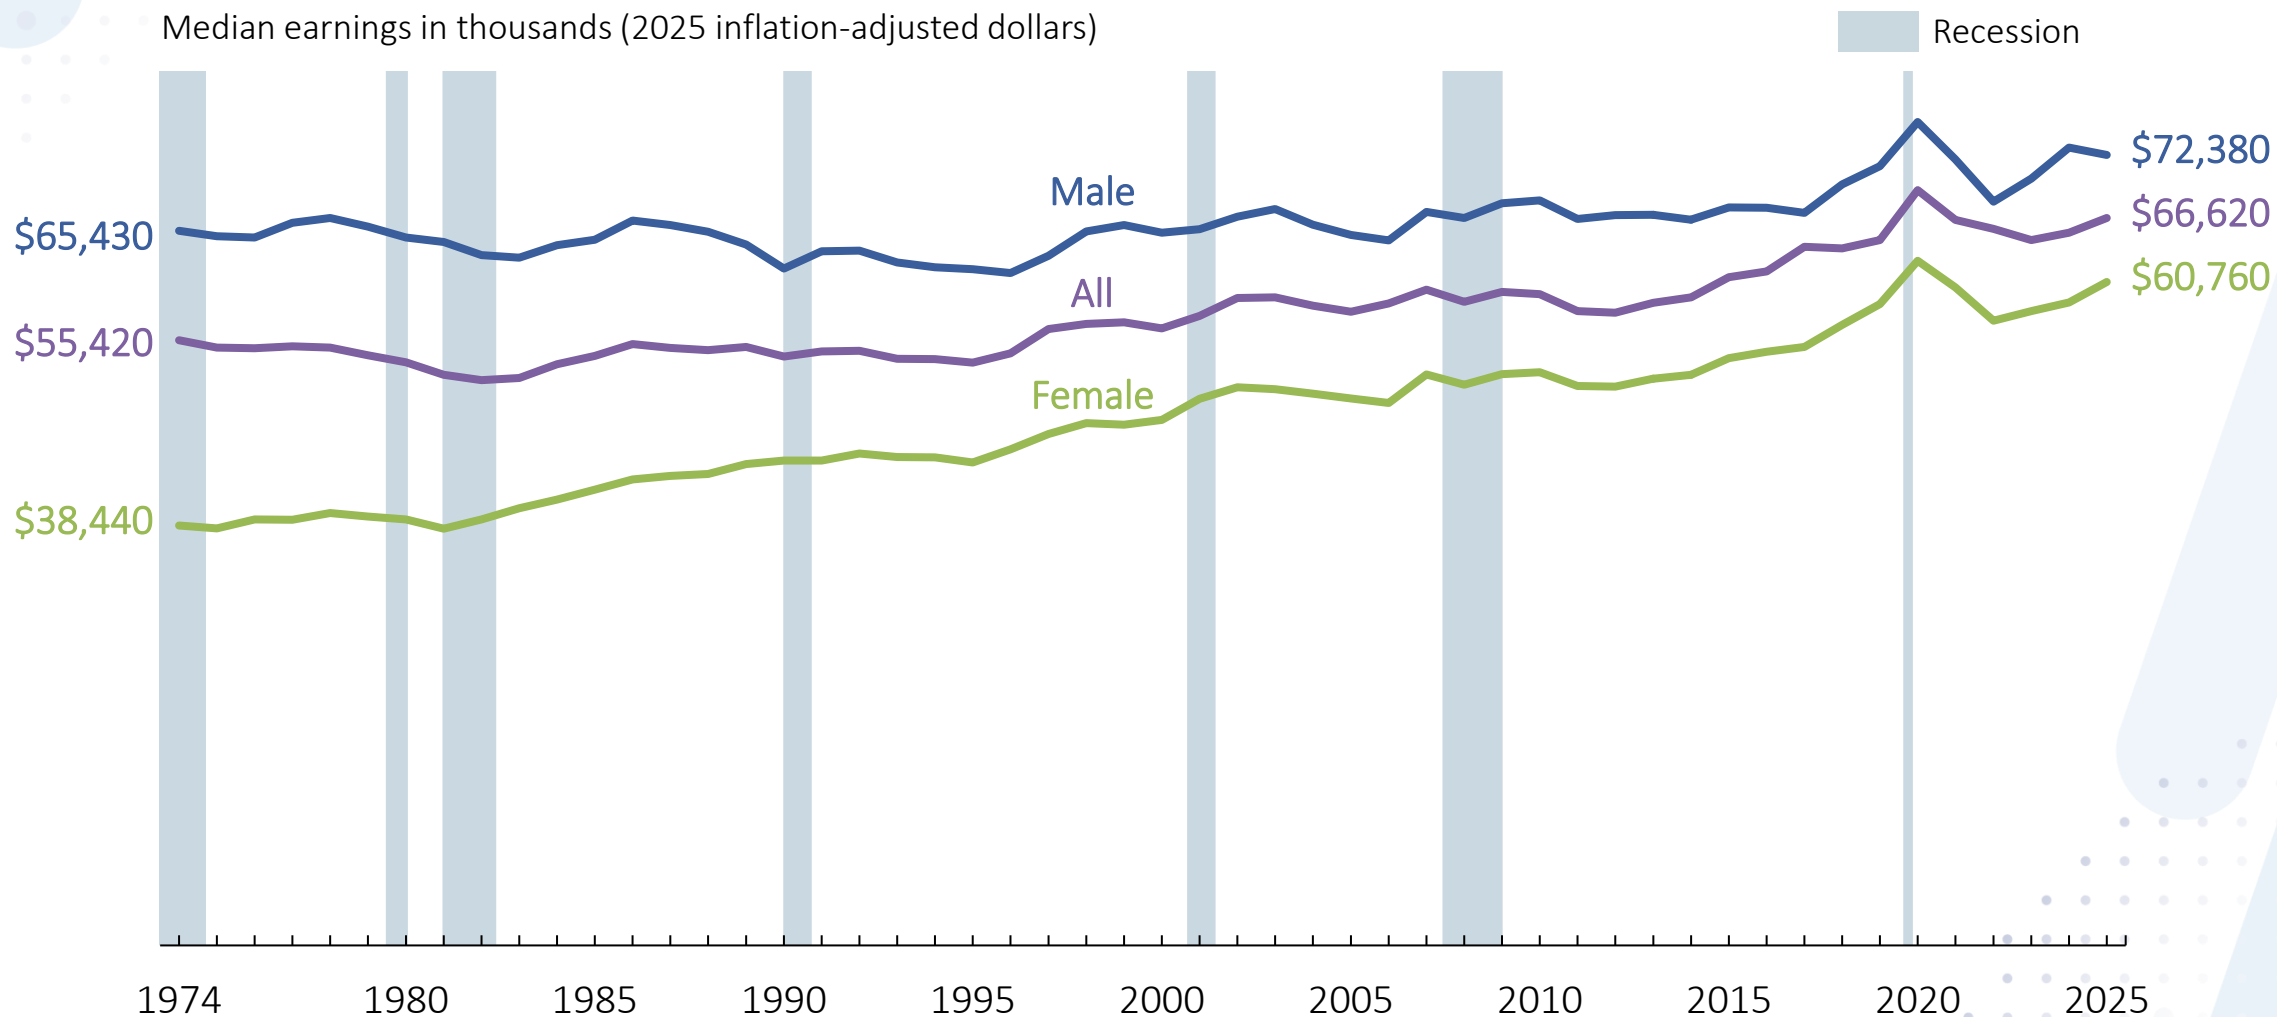

## Post-Tax Income

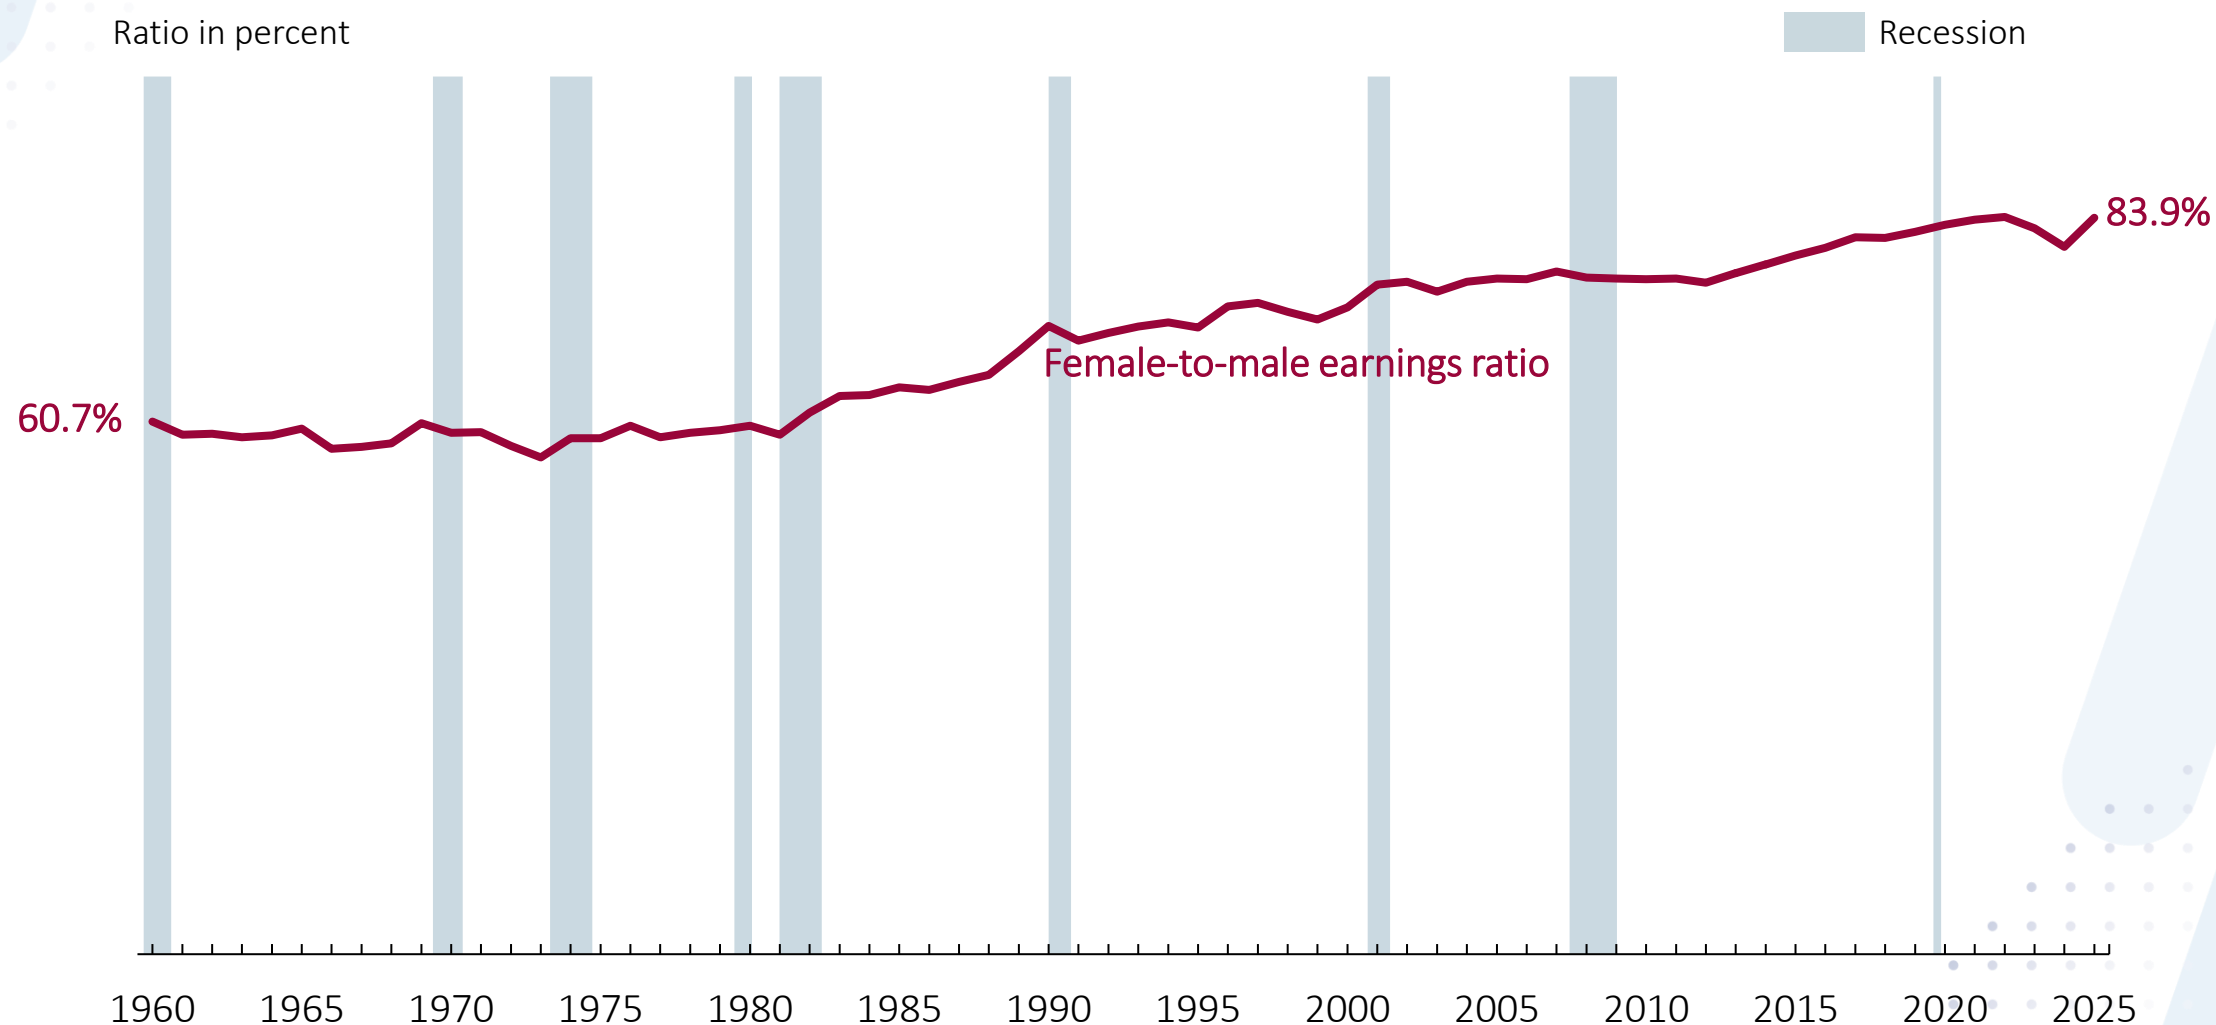

# Earnings for Full-time, Year-round Workers Did Not Change Significantly Last Year

# Women's Earnings Increased from 2024 to 2025

# The Female-to-male Earnings Ratio Increased Last Year

# POVERTY ESTIMATES

---

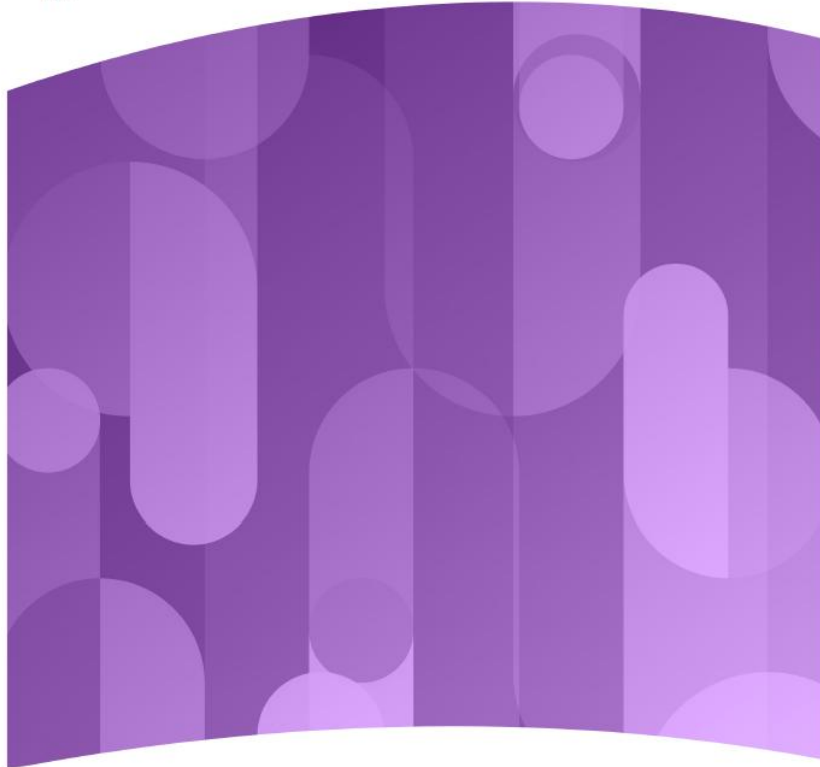

JOHN CREAMER

Supplemental Poverty Measure (SPM) Team Lead  
Social, Economic and Housing Statistics Division

## Poverty in the United States: 2025

Current Population Reports

By Christina Bijou and Emily A. Shrider  
Issued September 2026  
PCO-290

United States®  
**Census**  
Bureau

U.S. Department of Commerce  
U.S. CENSUS BUREAU  
[census.gov](https://www.census.gov)

## 2025 Highlights

- The official poverty rate fell 0.5 percentage points to 10.2 percent in 2025.
- The official poverty rate for children fell to 13.4 percent, the lowest on record.
- The official poverty rate for Hispanic individuals fell to 13.9 percent, the lowest on record.
- The Supplemental Poverty Measure (SPM) rate was stable at 13.1 percent.

# How is the Official Poverty Measure Defined?

## INCLUDES:

- Wages and earnings
- Social Security
- Unemployment
- Retirement
- Interest and dividends
- Public assistance

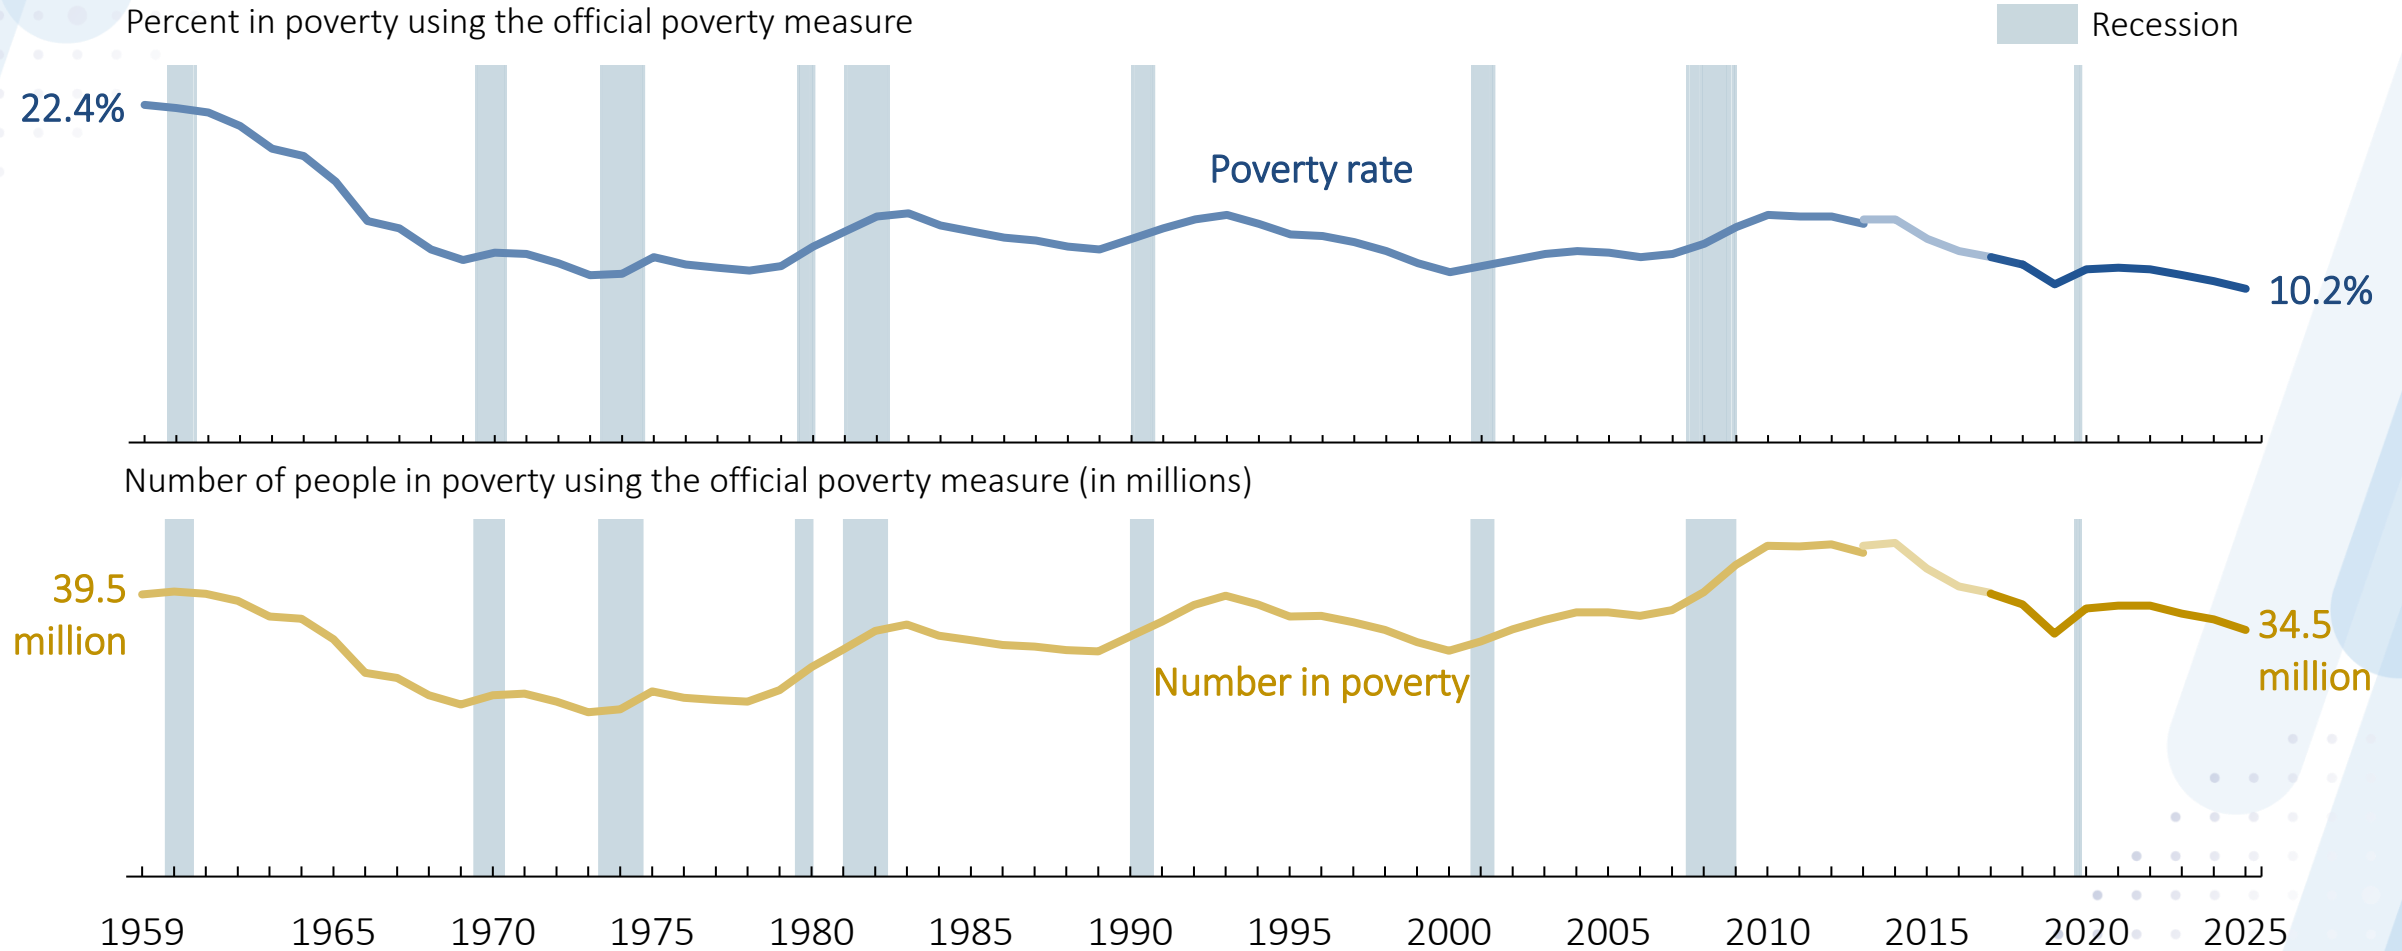

Threshold adjusted for  
family composition

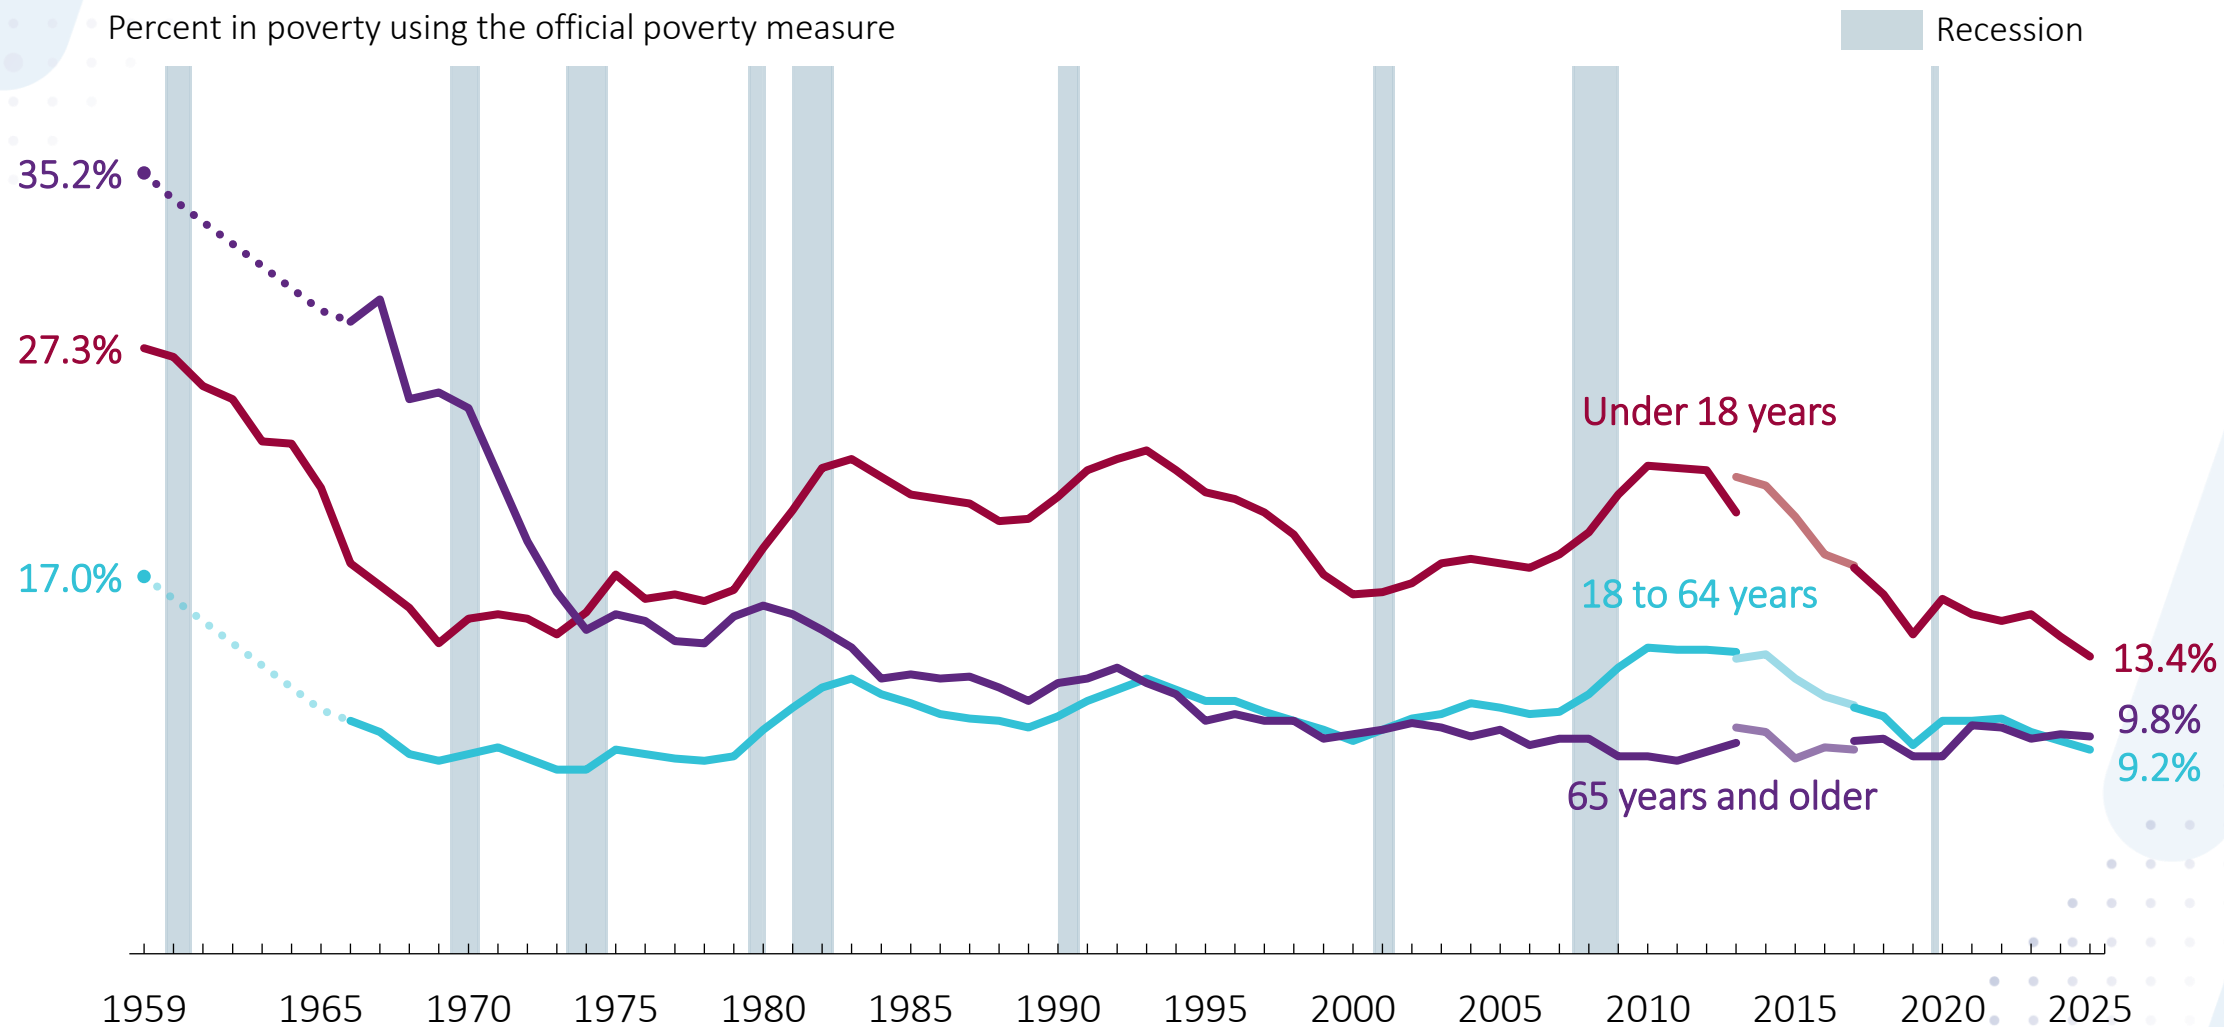

## DOES NOT INCLUDE:

- Taxes paid
- Tax credits
- Noncash assistance  
(SNAP, Medicaid, etc.)

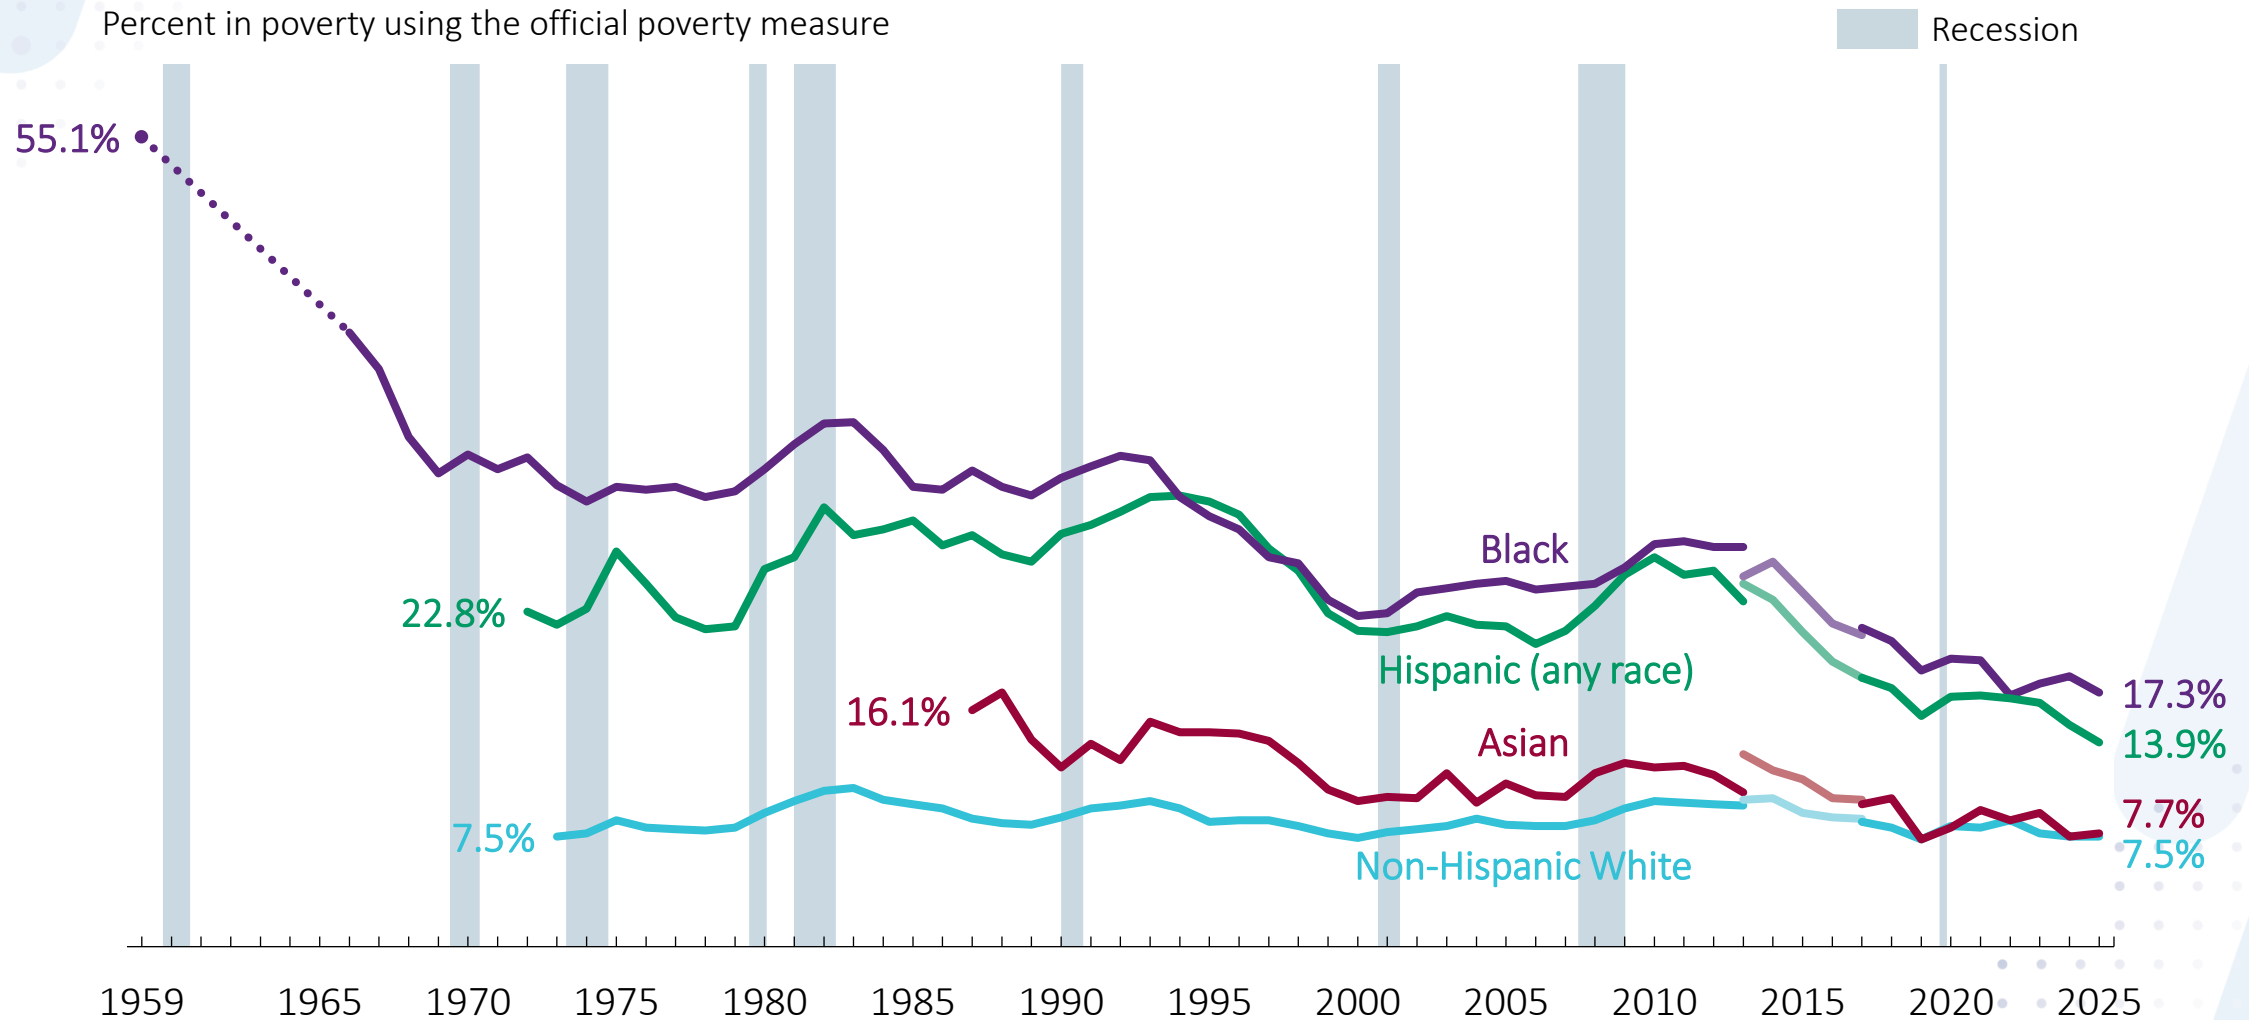

# Official Poverty Fell in 2025

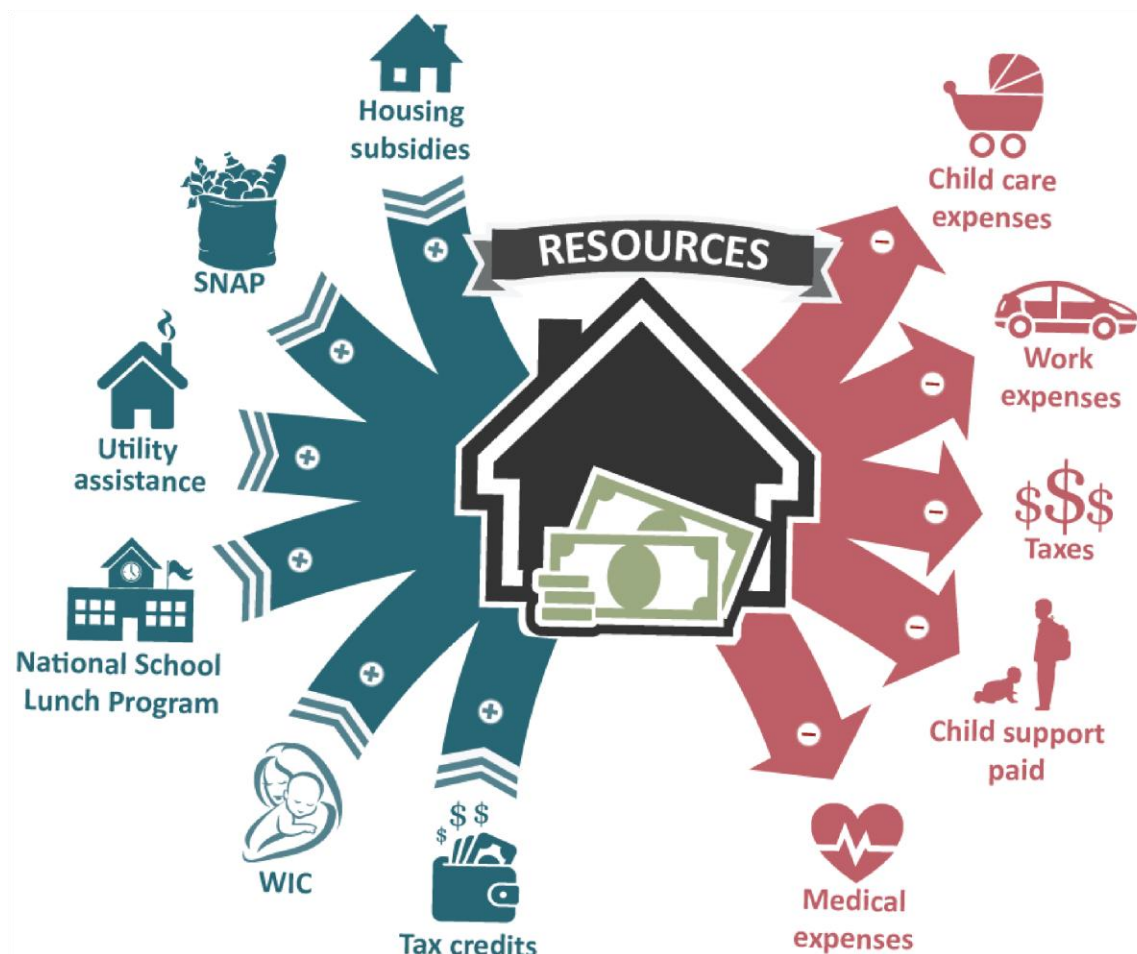

# Child Poverty Reached a Historic Low in 2025

# Poverty for Hispanic Individuals Fell to its Lowest Point in 2025

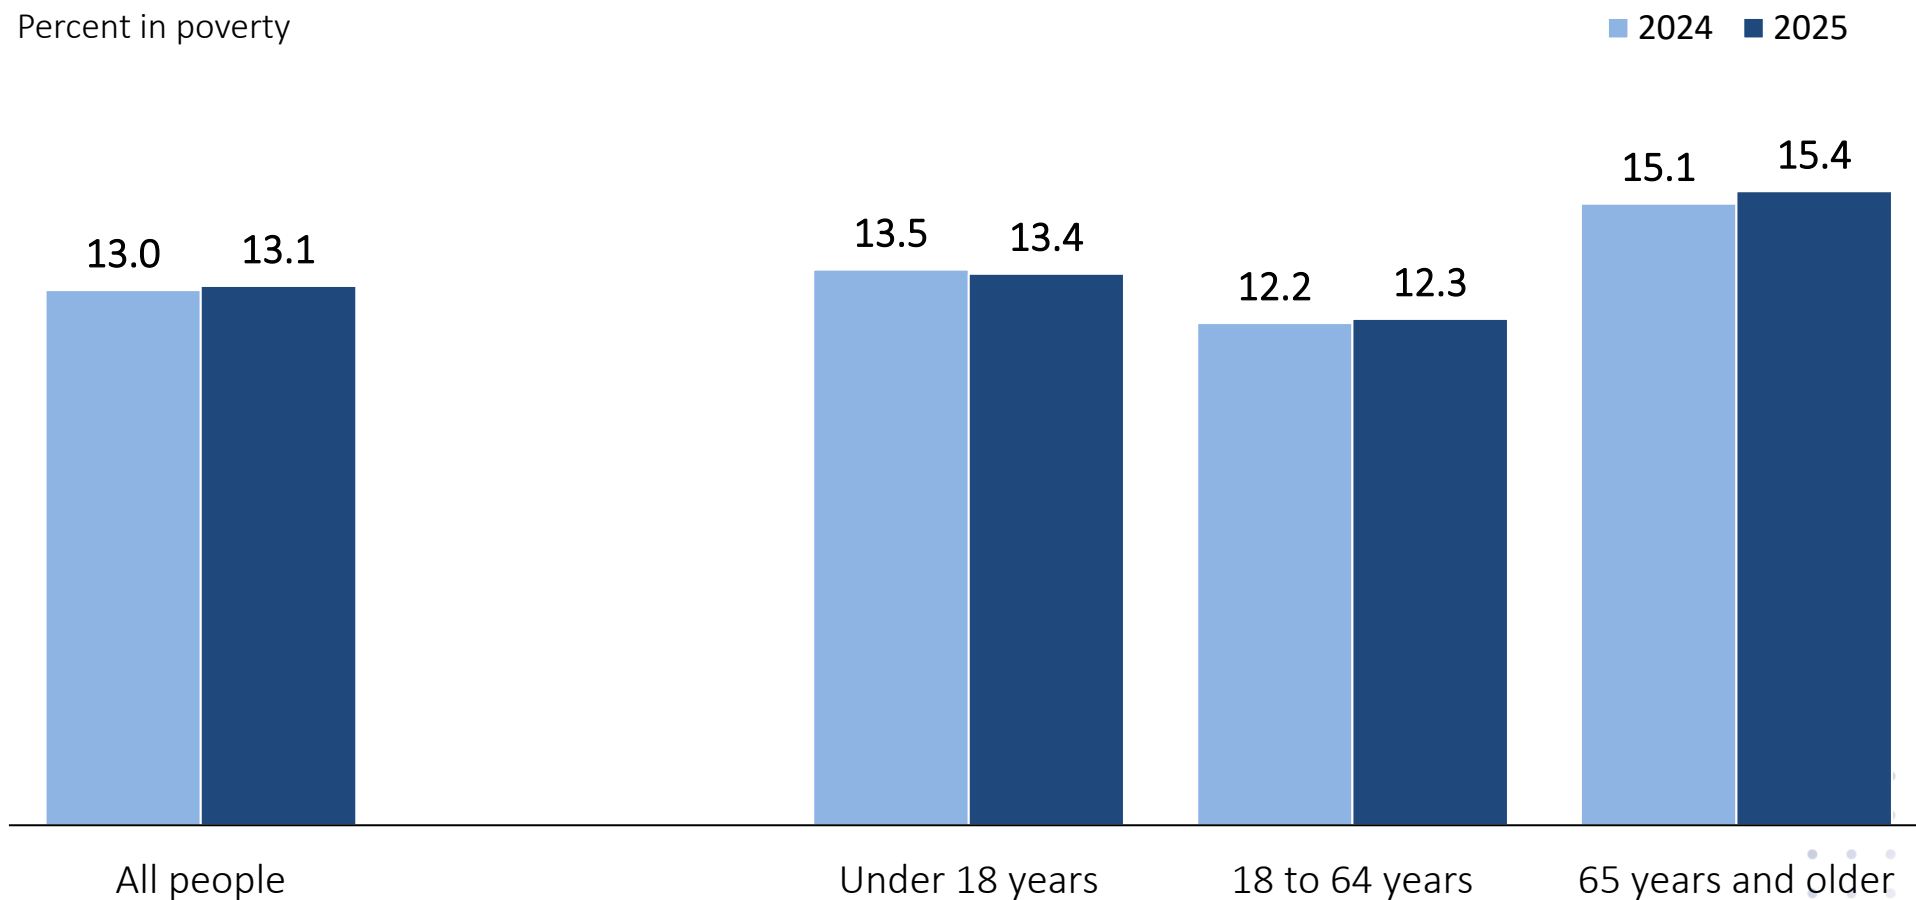

# How Is the SPM Defined?

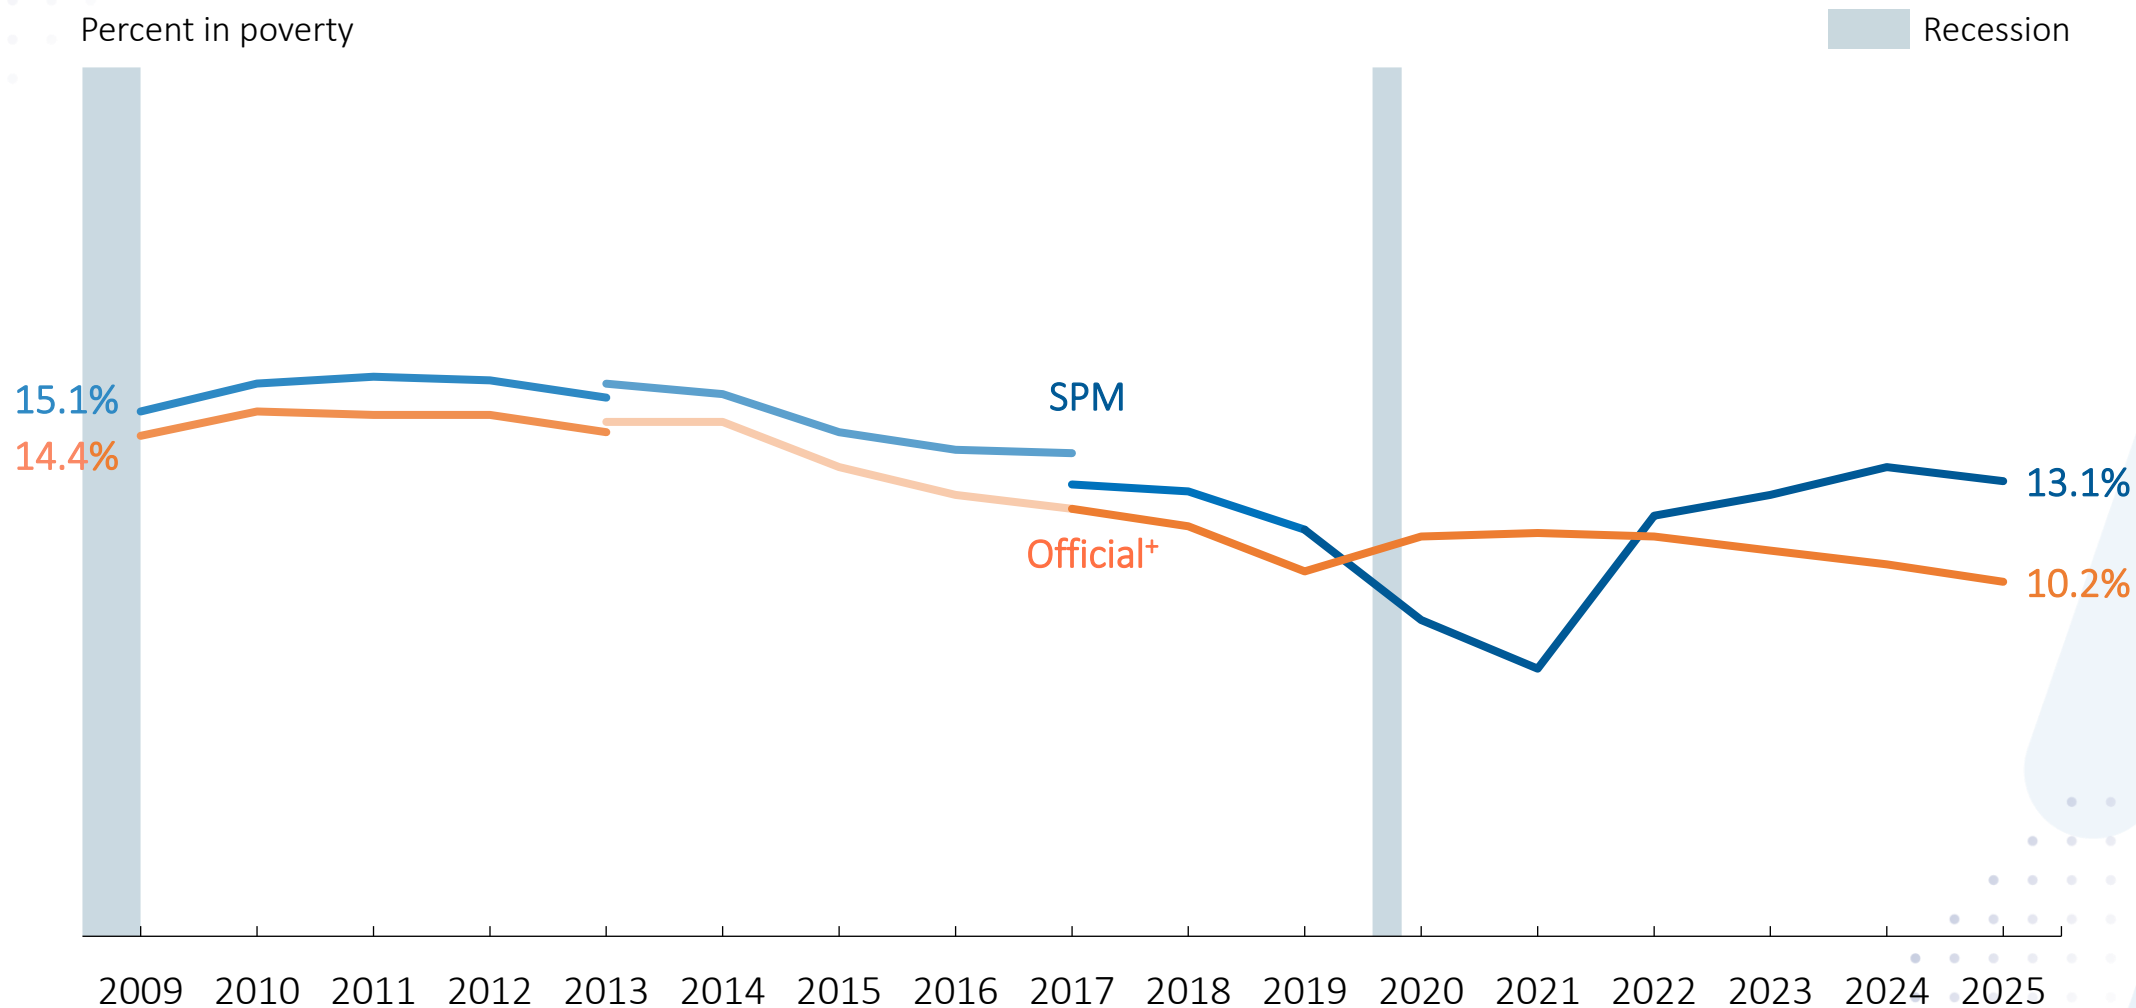

Threshold adjusted for family composition,  
housing tenure, and geographic variation

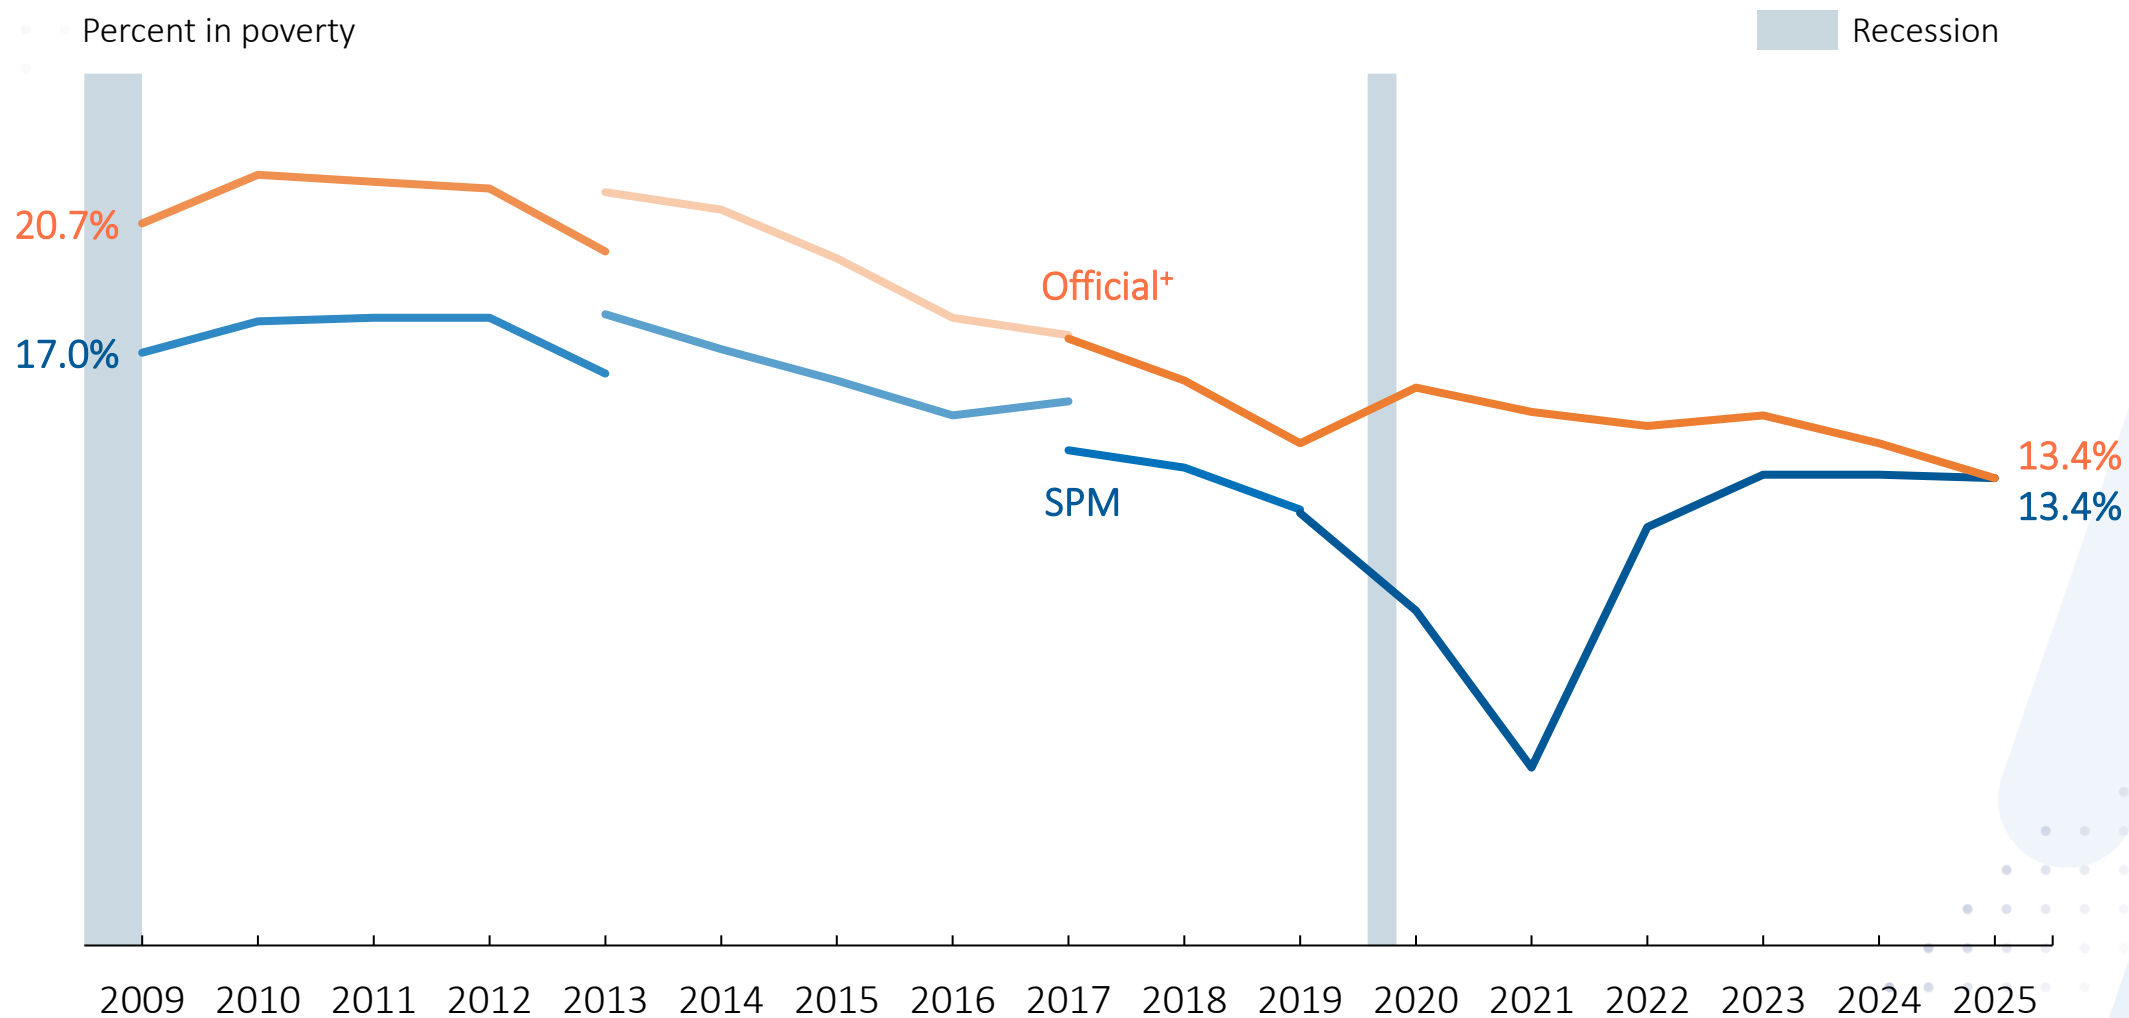

# The SPM Rate Was Stable between 2024 and 2025

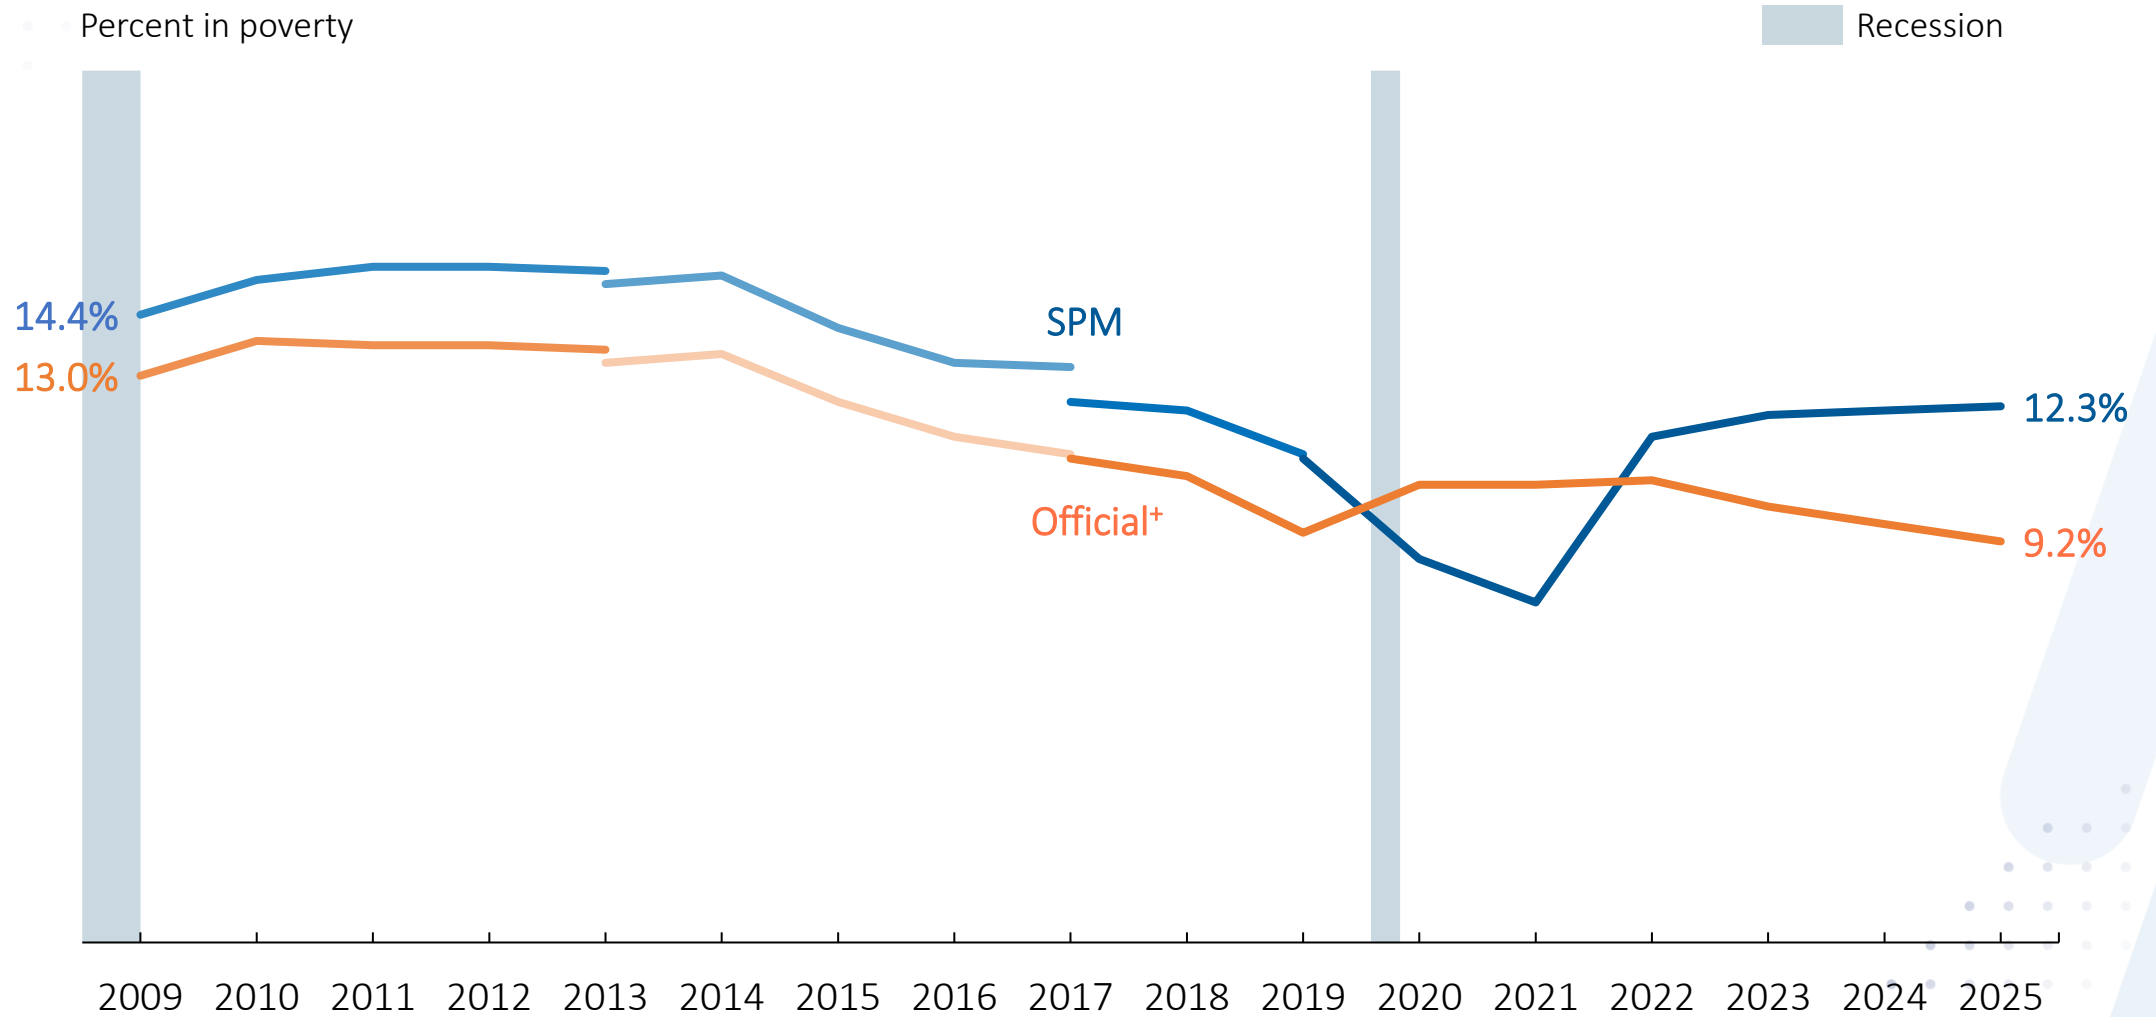

# SPM Exceeds Official+ by Widest Margin Since 2022

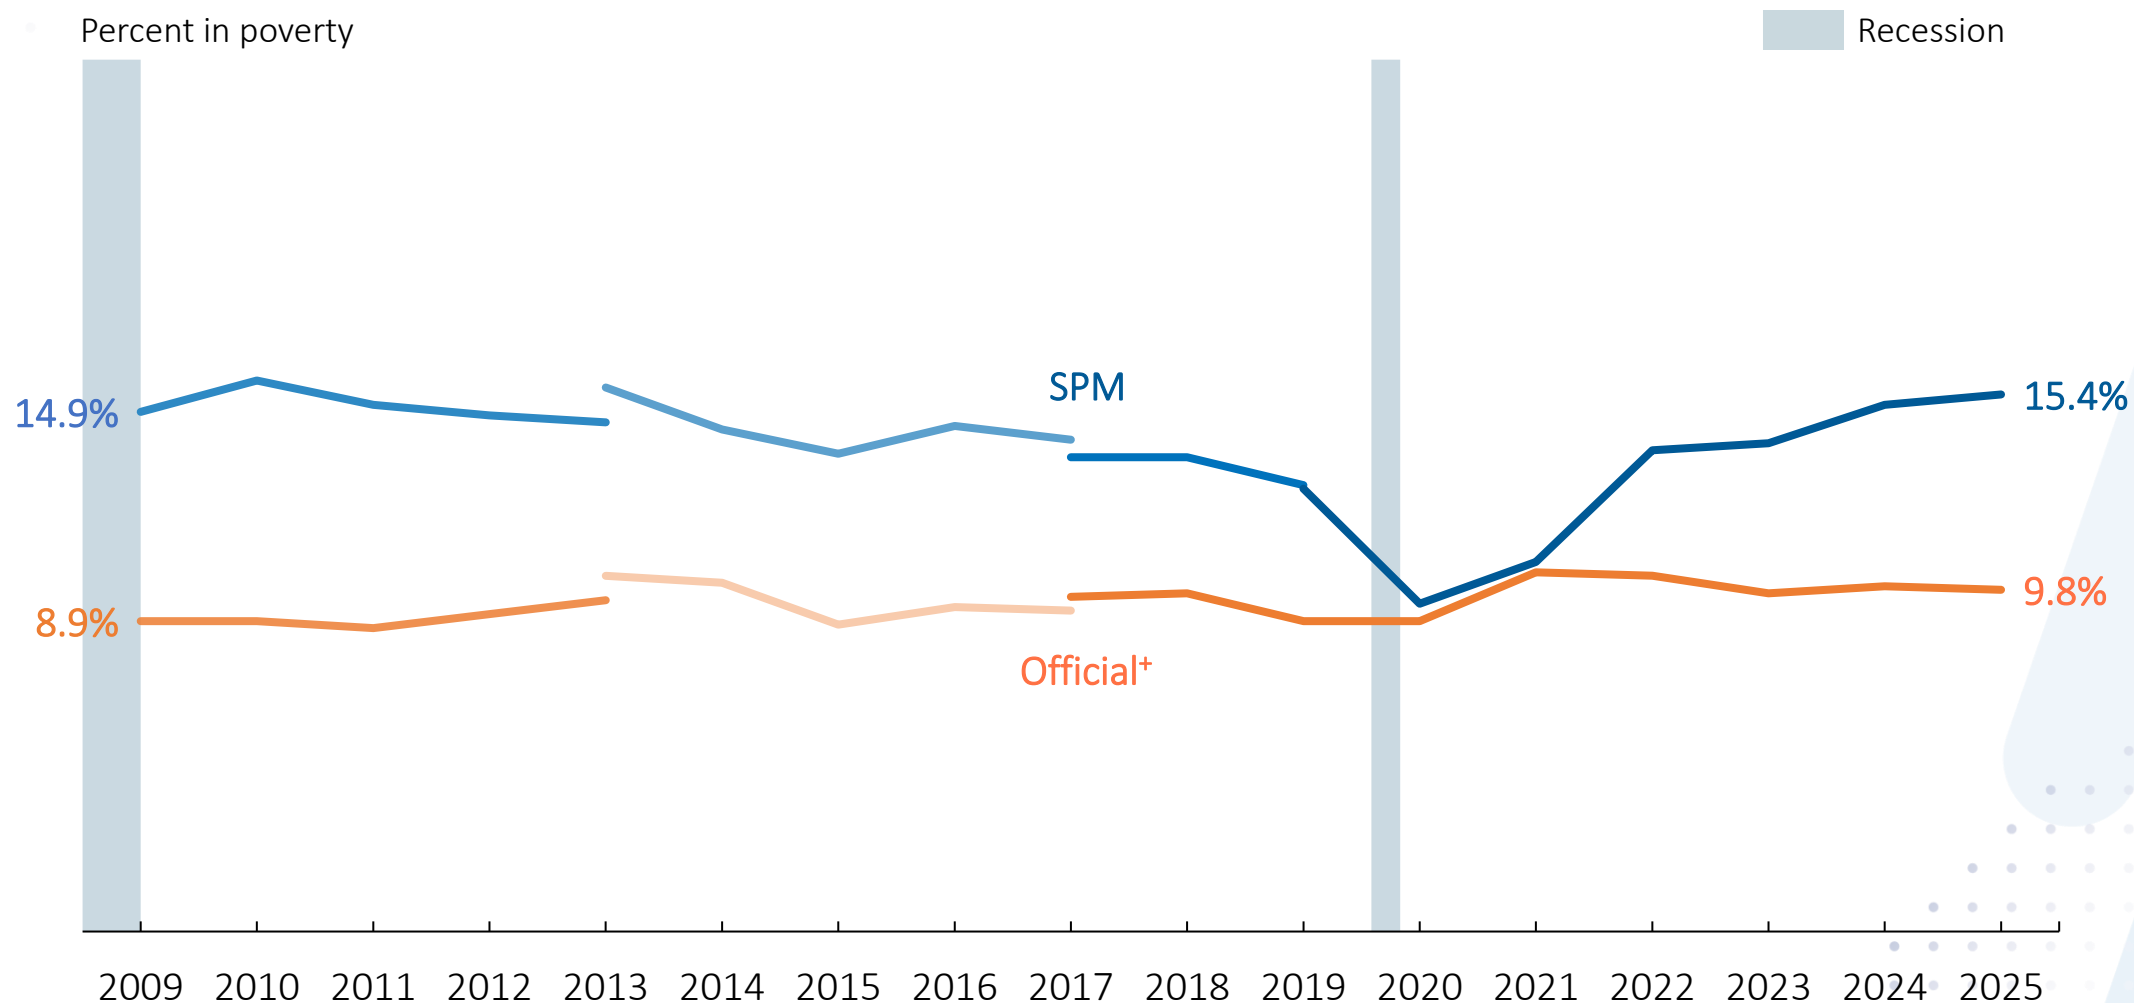

# The SPM and Official+ Child Poverty Rates Converged in 2025

# Adults Age 18-64: Growing Divergence Since 2022

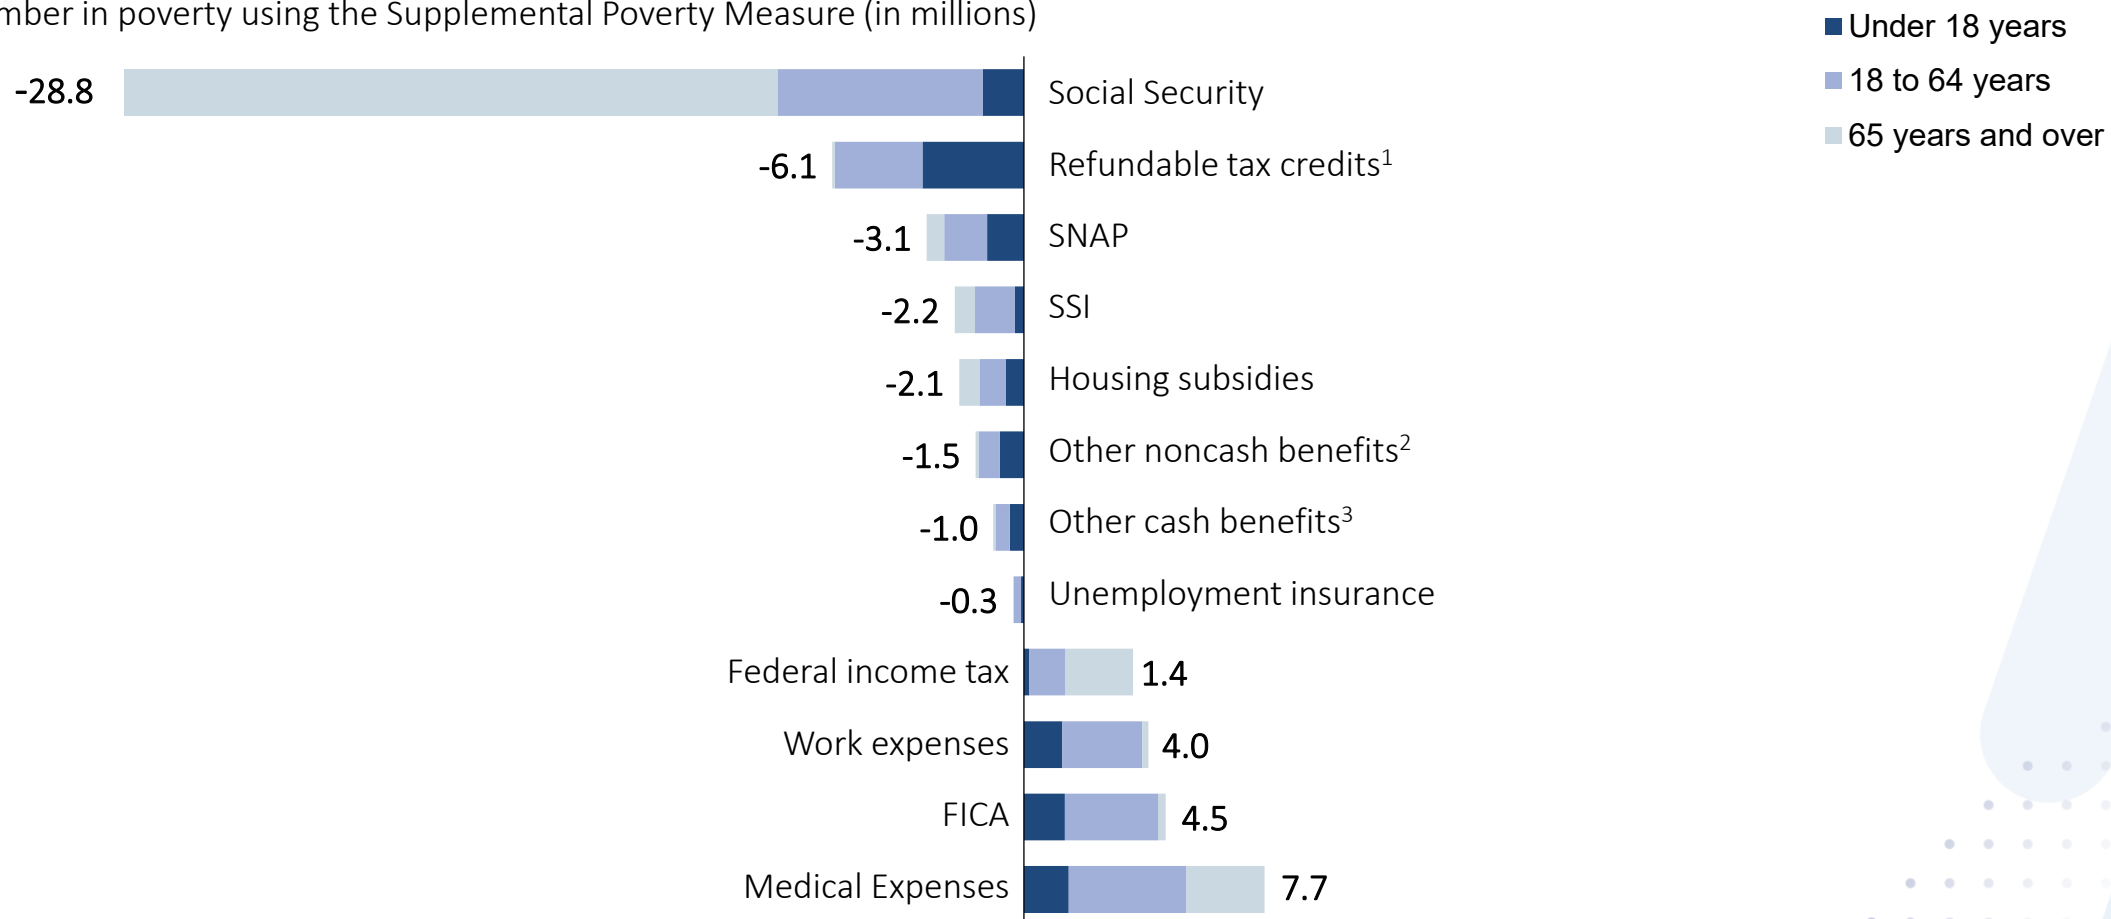

# Largest Difference between SPM and Official<sup>+</sup> in 2025 Is for Individuals 65 Years and Older

# Social Security and Refundable Tax Credits are Key Programs

Number in poverty using the Supplemental Poverty Measure (in millions)

<sup>1</sup> Refundable tax credits include the Earned Income Tax Credit and the refundable portion of the Child Tax Credit.

<sup>2</sup> Other noncash benefits include energy and broadband benefits; Special Supplemental Nutrition Program for Women, Infants, and Children (WIC); and school lunch.

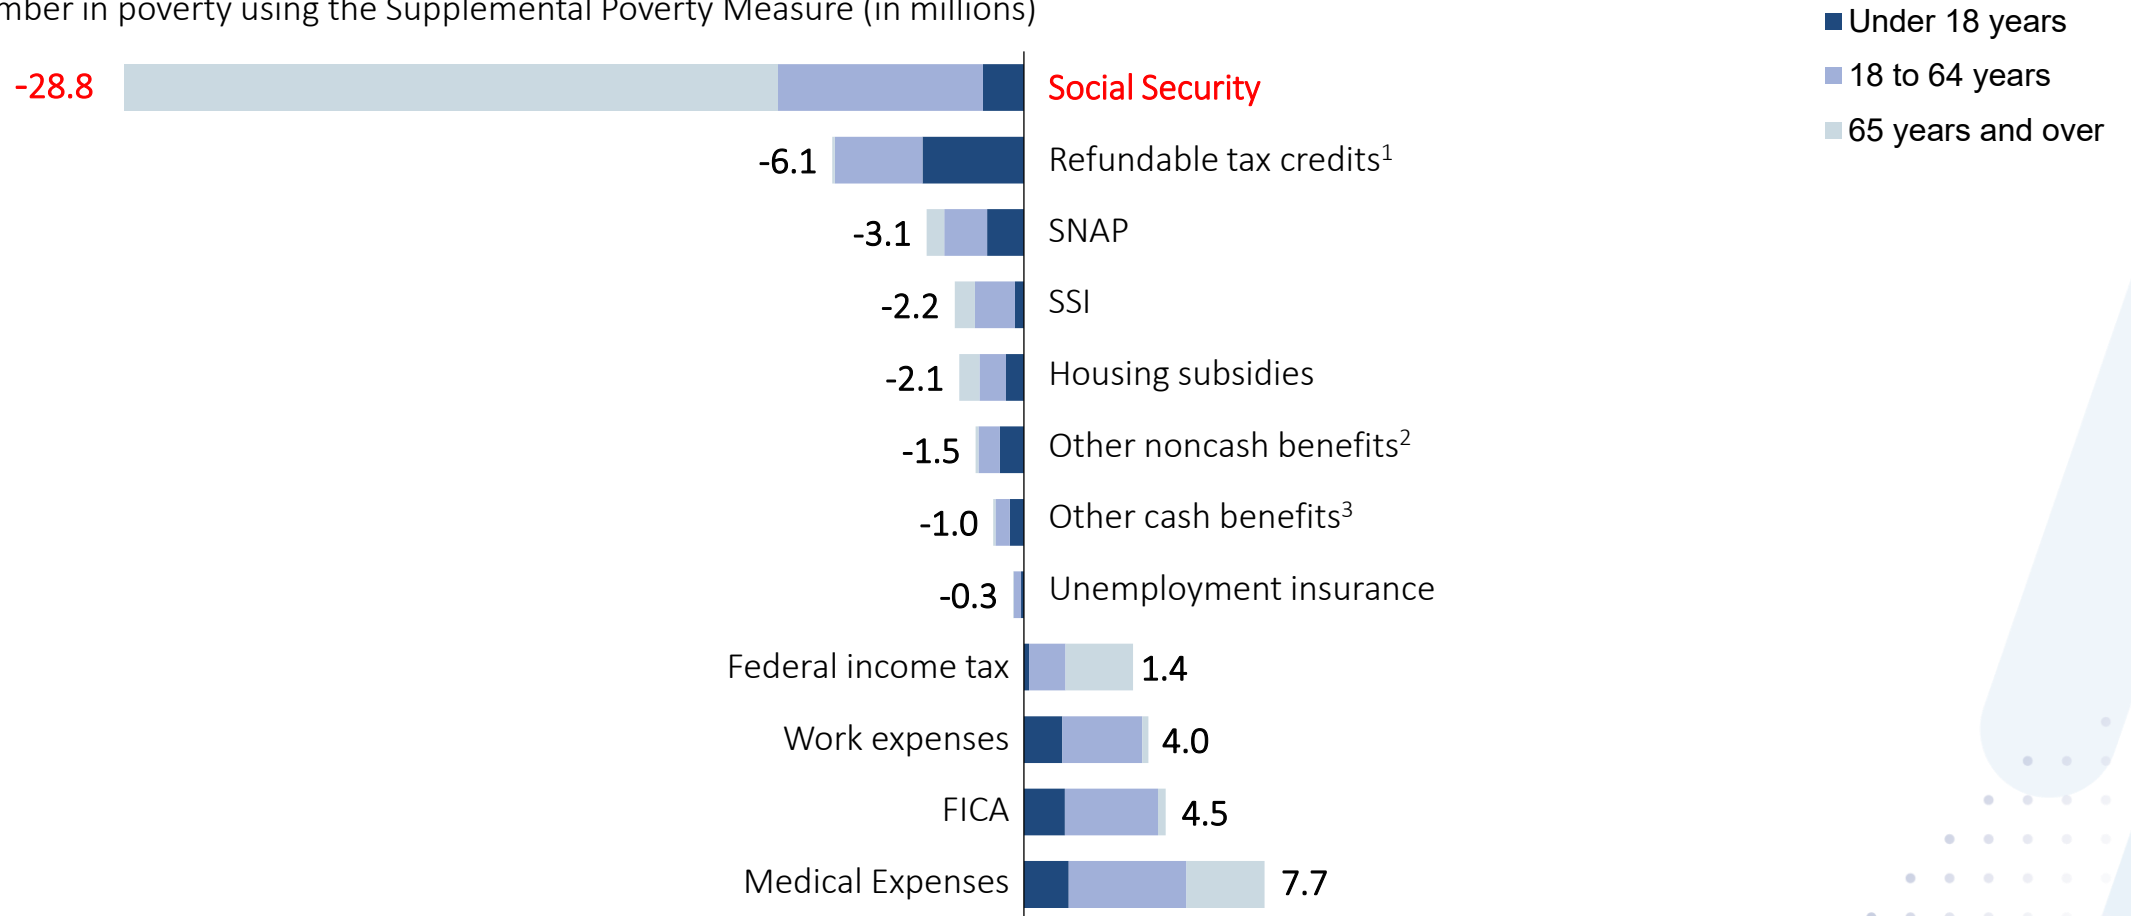

<sup>3</sup> Other cash benefits include workers' compensation, Temporary Assistance for Needy Families (TANF) / general assistance, and child support received.

Note: Population as of March of the following year. SNAP - Supplemental Nutrition Assistance Program; SSI - Supplemental Security Income; FICA - Federal Insurance Contributions Act.

Source: U.S. Census Bureau, Current Population Survey, 2026 Annual Social and Economic Supplement (CPS ASEC), Table 6.

# Social Security Removed the Most People from Poverty

Number in poverty using the Supplemental Poverty Measure (in millions)

<sup>1</sup> Refundable tax credits include the Earned Income Tax Credit and the refundable portion of the Child Tax Credit.

<sup>2</sup> Other noncash benefits include energy and broadband benefits; Special Supplemental Nutrition Program for Women, Infants, and Children (WIC); and school lunch.

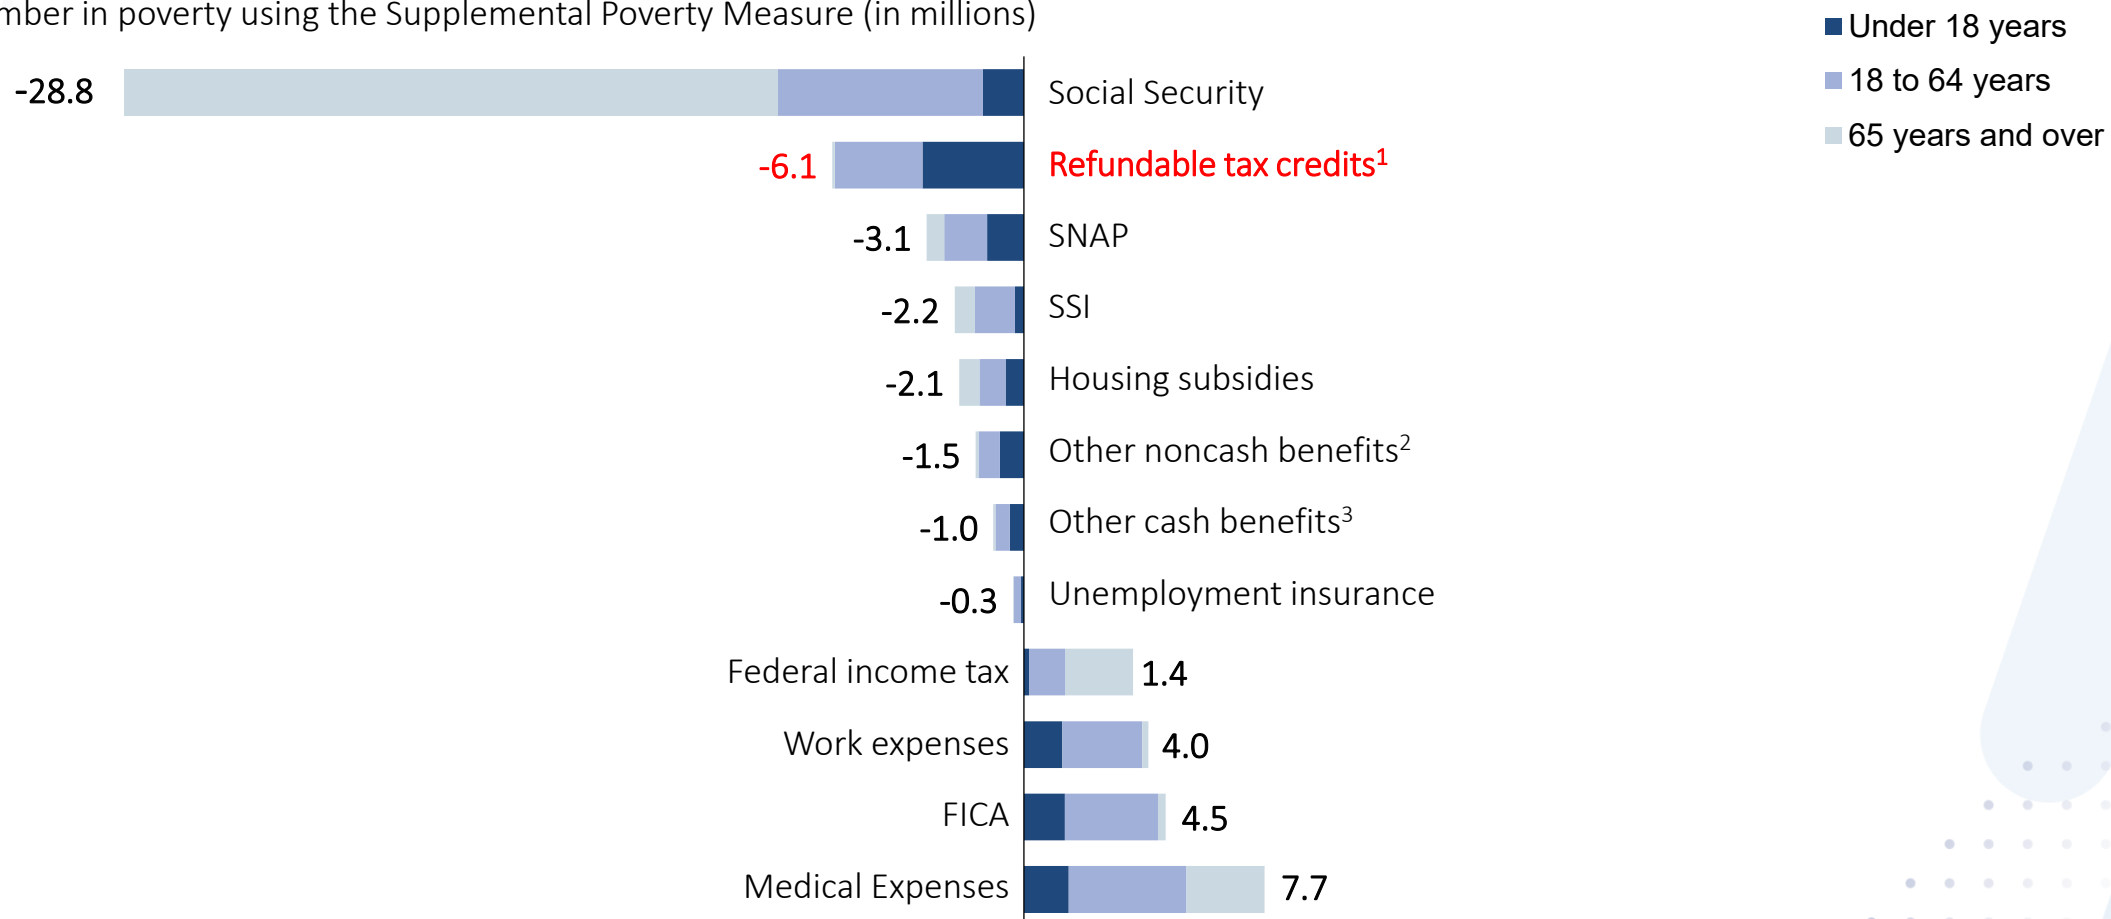

<sup>3</sup> Other cash benefits include workers' compensation, Temporary Assistance for Needy Families (TANF) / general assistance, and child support received.

Note: Population as of March of the following year. SNAP - Supplemental Nutrition Assistance Program; SSI - Supplemental Security Income; FICA - Federal Insurance Contributions Act.

Source: U.S. Census Bureau, Current Population Survey, 2026 Annual Social and Economic Supplement (CPS ASEC), Table 6.

# Refundable Tax Credits Removed 6.1 Million from Poverty

Number in poverty using the Supplemental Poverty Measure (in millions)

<sup>1</sup> Refundable tax credits include the Earned Income Tax Credit and the refundable portion of the Child Tax Credit.

<sup>2</sup> Other noncash benefits include energy and broadband benefits; Special Supplemental Nutrition Program for Women, Infants, and Children (WIC); and school lunch.

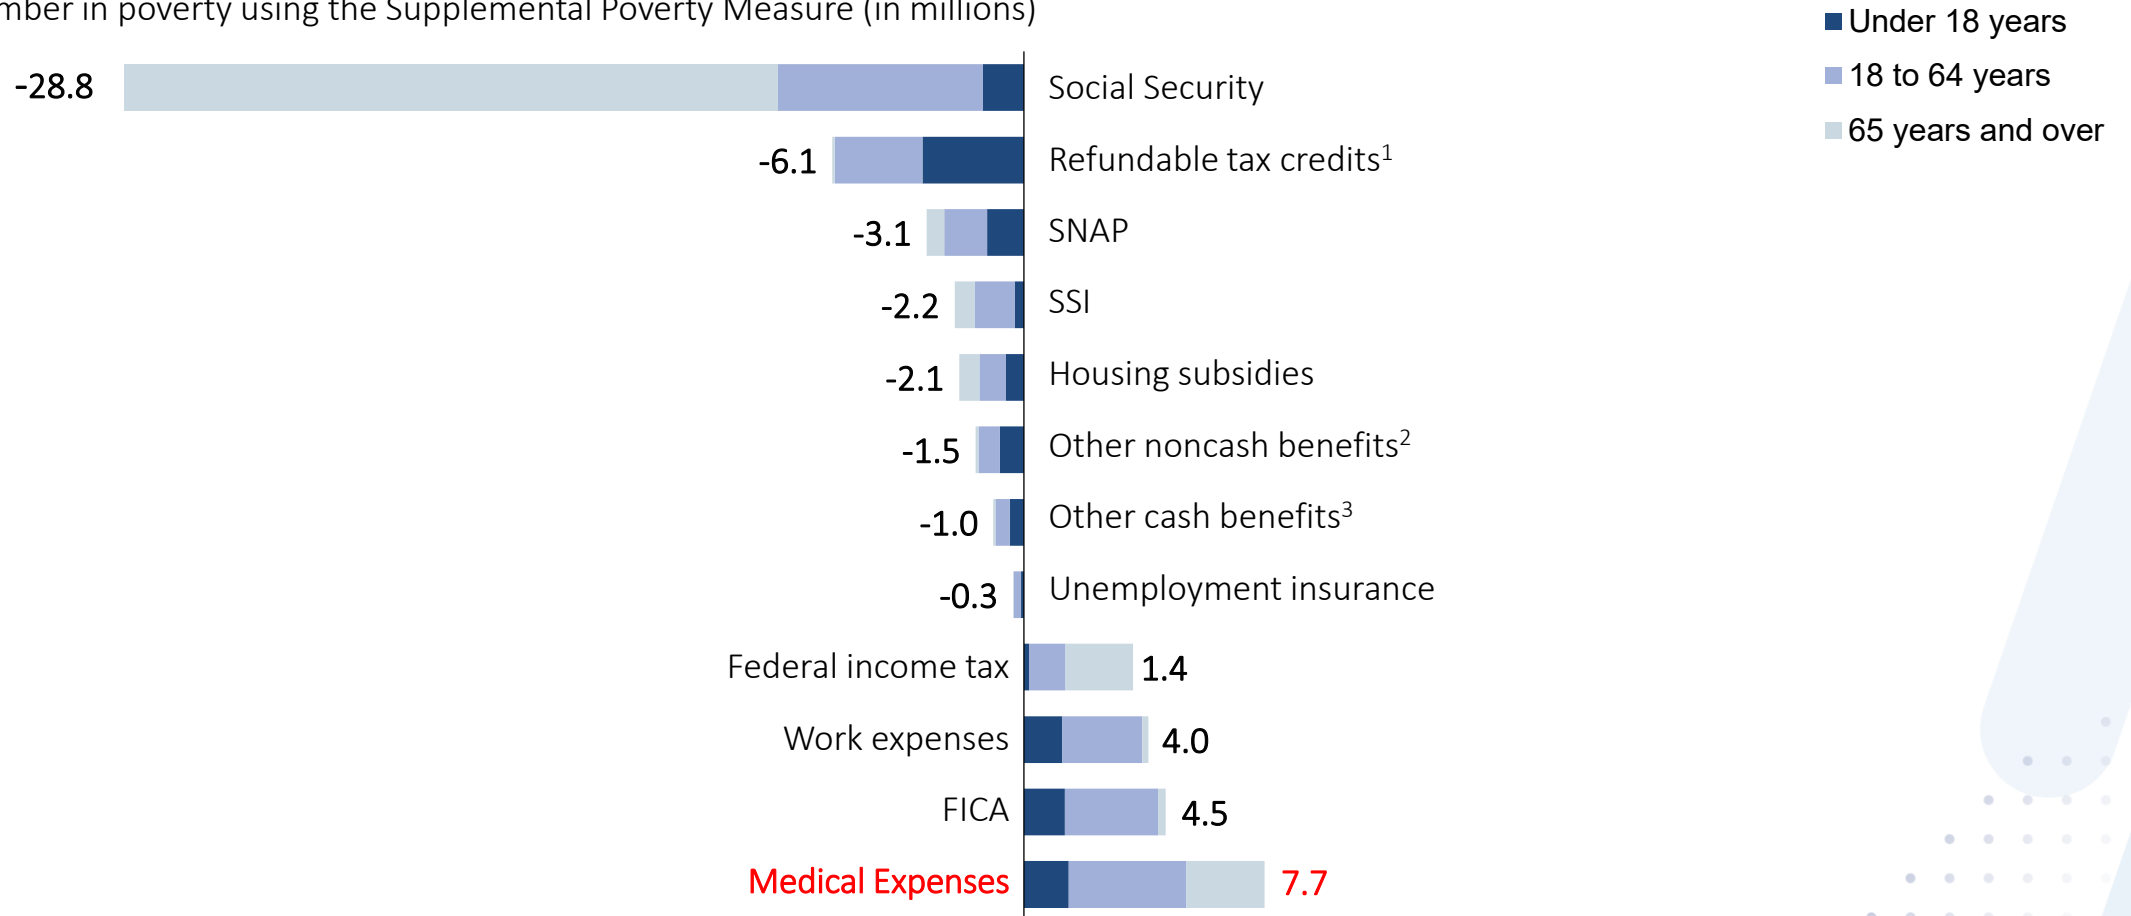

<sup>3</sup> Other cash benefits include workers' compensation, Temporary Assistance for Needy Families (TANF) / general assistance, and child support received.

Note: Population as of March of the following year. SNAP - Supplemental Nutrition Assistance Program; SSI - Supplemental Security Income; FICA - Federal Insurance Contributions Act.

Source: U.S. Census Bureau, Current Population Survey, 2026 Annual Social and Economic Supplement (CPS ASEC), Table 6.

# Medical Expenses Moved 7.7 Million into Poverty

Number in poverty using the Supplemental Poverty Measure (in millions)

<sup>1</sup> Refundable tax credits include the Earned Income Tax Credit and the refundable portion of the Child Tax Credit.

<sup>2</sup> Other noncash benefits include energy and broadband benefits; Special Supplemental Nutrition Program for Women, Infants, and Children (WIC); and school lunch.

<sup>3</sup> Other cash benefits include workers' compensation, Temporary Assistance for Needy Families (TANF) / general assistance, and child support received.

Note: Population as of March of the following year. SNAP - Supplemental Nutrition Assistance Program; SSI - Supplemental Security Income; FICA - Federal Insurance Contributions Act.

## America Counts Stories

### America Counts Story

#### Hispanic Poverty Rate Reached Historic Low in 2025

September 15, 2026

The Hispanic population's poverty rate fell to 13.9%, down 1.2 percentage points from 2024 — still disproportionately high despite being the lowest on record.

### America Counts Story

#### Medicaid Coverage Declined in 2025 for Second Year in a Row

September 15, 2026

Changes in Medicaid policy, funding, eligibility and enrollment processes that began in 2020 contributed to decline in Medicaid coverage.

### America Counts Story

#### Supplemental Poverty Rate Tops Official Rate in 26 States, DC

September 15, 2026

Louisiana had among the nation's highest poverty rates by both the official poverty measure and the Supplemental Poverty Measure.

### America Counts Story

#### U.S. Real Median Household Income Reached Record High in 2025

September 15, 2026

Real income increased at the top but not the bottom of the income distribution from 2024 to 2025.
